Recipe Tart A Lorange:

Simca's Cuisine Simone Beck, 2013-11-06 Simone Beck is known to millions of Americans as Julia Child's French partner in the creation of the two classic volumes of *Mastering the Art of French Cooking*. Now she gives us her own delectable recipes, the ones she most treasures out of a lifetime of cooking creativity that has made her one of the great cuisinieres of her day. Here are recipes that were inspired by old French family specialties found in her mother's and grandmother's well-thumbed notebooks; recipes that grew out of Simca's life in the provinces, particularly Normandy, Alsace, and Provence, where she has gardened, cooked, dined out, and entertained simple delights and fabulous concoctions all set down with a beautiful French clarity. Skillfully adapting her French ways to American needs, she presents over 100 recipes in 31 alluring menus designed for every sort of occasion: a warming dinner after a winter walk in the woods, a feast to dazzle your friends, a buffet for winter and one for summer, even an elegant picnic. For each menu, Simca has written a charming, altogether personal introduction filled with nuggets of useful information like what can be cooked ahead of time or how long last-minute preparations will take. Specific wines are always suggested with the menus, along with specific cheeses when called for. In addition, this volume features a small collection of other favorite dishes that did not fit into the menus but were simply too good to leave out. All in all, *Simca's Cuisine* is a lasting treasure for everyone in search of new delicacies to serve, new menus that will enchant new aromas and flavors in the French tradition, and new ways to find expertise in the kitchen and joy at the table.

Patisserie Pro-Facile Ali Haji, 2017-03-28 I discovered this book when I was in my first year of marriage. My wife was beginning to question me about my field, that is, well, sure, the pastry, and asked me to teach her how to prepare the homemade cakes whenever we were together, and there I started writing her recipes with instructions that became a manuscript which was followed by the idea of sharing with others, and after 20 years, the idea has found its way.
