Date \_\_\_\_\_

Name & Address \_\_\_\_\_

### RECOMMENDATION FOR S. N. (student's name)

Dear Judge Last Name:

I am writing this letter in enthusiastic support of S.N.'s application for a clerkship in your chambers. I have gotten to know Ms. N. over the past year, both as a student in my first-year Contracts course and as an active participant in law school governance. In both capacities, I have been most impressed with Ms. N.'s talents, and I am confident that she will be an exceptional law clerk and an outstanding attorney.

In the Contracts class, Ms. N. stood out, from early in the course, as an unusually articulate and perceptive participant in class discussion. Repeatedly, she was the student who raised the serious and challenging issues that pushed the dialogue to a more reflective and perceptive level. Her written work in the course, both a research memo and her final examination, simply confirmed what her class participation had already evidenced – that she was a student with exceptional insight and analytic skill – while also demonstrating the clarity and cogence of her prose style. Ms. N. was the strongest student in a strong class, and a review of her academic record reveals that her performance in Contracts was repeated across her first-year courses. Intellectually, she is clearly a star.

Her talents, however, do not end there. Ms. N. is also a person of unusual energy, maturity, and interpersonal skill. In her first-year, she represented her class on the law school's faculty-student Governing Council, and this year she is serving as her class's representative on our faculty appointments committee, which I chair. Her election to these posts is some evidence of how her peers perceive her, and her performance in these roles is testament to her character. Ms. N. has tackled these responsibilities with spirit and sophistication, interacting with both students and faculty in an effective, responsible manner. She is evidently a person with substantial experience functioning in the professional world, and it has been a pleasure working with her.

In short, I recommend Ms. N. to you strongly and without reservation. She will be a wonderful addition to your chambers. If I can be of any further assistance in your review of her application, please feel free to contact me.

Sincerely yours,

Professor's Name  
Professor of Law

participants in a dialogue attribute to each other This last category is also very broad since it includes mental and emotional states together with culturally constructed knowledge such as the reciprocal identification of social roles and positions The assumption of a cognitive point of view brings to the foreground a number of new questions regarding how information about the context is organized in the mind and how this kind of knowledge is used in specific communicative situations A related very important question concerns the role played in this process by theory of mind abilities ToM both in typical and atypical populations In this Research Topic we bring together articles that address different aspects of context analysis from theoretical and empirical perspectives integrating knowledge and methods derived from Philosophy of language Linguistics Cognitive Science Cognitive Neuroscience Developmental and Clinical Psychology

**The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance** Dieter Heinzig,2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions
