Bulletin of the New York Public Library New York Public Library, 1927 Asset Recovery Handbook Jean-Pierre Brun, Anastasia Sotiropoulou, Larissa Gray, Clive Scott, Kevin M. Stephenson, 2021-02-08 Developing countries lose billions each year through bribery misappropriation of funds and other corrupt practices Much of the proceeds of this corruption find safe haven in the world's financial centers These criminal flows are a drain on social services and economic development programs contributing to the impoverishment of the world's poorest countries Many developing countries have already sought to recover stolen assets A number of successful high profile cases with creative international cooperation has demonstrated that asset recovery is possible However it is highly complex involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions as well as the capacity to trace and secure assets and pursue various legal options whether criminal confiscation non conviction based confiscation civil actions or other alternatives This process can be overwhelming for even the most experienced practitioners It is exceptionally difficult for those working in the context of failed states widespread corruption or limited resources With this in mind the Stolen Asset Recovery StAR Initiative has developed and updated this Asset Recovery Handbook A Guide for Practitioners to assist those grappling with the strategic organizational investigative and legal challenges of recovering stolen assets A practitioner led project the Handbook provides common approaches to recovering stolen assets located in foreign jurisdictions identifies the challenges that practitioners are likely to encounter and introduces good practices It includes examples of tools that can be used by practitioners such as sample intelligence reports applications for court orders and mutual legal assistance requests StAR the Stolen Asset Recovery Initiative is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets International Law and the Investigation of Transnational Crimes Yurika Ishii, 2025-10-14 Obtaining information and evidence abroad remains the main challenge in suppressing transnational crimes Law enforcement mechanisms however have evolved with the globalization of markets and the digitization of information Situated at the intersection of public international law domestic law and transnational crime International Law and the Investigation of Transnational Crimes examines the methods that states use to investigate transnational crimes This book argues that obtaining evidence abroad today relies primarily on the consent of other states and private entities such as financial institutions and communication service providers The first part explains the importance and the boundaries of conventional cross border criminal investigation The second part explores administrative cross border investigations encompassing various practice areas including antitrust securities tax information law and financial law It also examines non criminal forms of cooperation in addressing foreign bribery and terrorism The third part examines the direct cooperation with the

investigating government and a foreign private entity namely financial institutions and communication service providers
Thought provoking and pioneering International Law and the Investigation of Transnational Crimes challenges the conventional understanding of international cooperation in criminal matters and provides new insights by exploring the interplay between international and domestic law
