

THE NEW YORK TIMES BESTSELLER

"Funny, self-deprecating and a whole lot less boastful than he could be, Mr. Stewart offers a string of Grade-A rock 'n' roll debauchery stories and... makes them charming."

—*The New York Times*

ROD | THE AUTOBIOGRAPHY

Rod Stewart Autobiography 2013

David Hepworth

Rod Stewart Autobiography 2013:

101 Amazing Facts About Rod Stewart Jack Goldstein, Frankie Taylor, 2013-08-21 Are you the world's biggest Rod Stewart fan Or do you want to find out everything there is to know about one of the world's best loved singers If so then this is the book for you Contained within are 101 amazing facts about how Rod got started in the music industry the numerous awards he has won the beautiful women he has dated plus many more The book is easily organised into sections so you can find the information you want fast *Rod Stewart* Sean Egan, 2023-08-01 Many have long found it difficult to take Rod Stewart seriously However once we get past the awkward stuff leopard skin leggings bum wiggling stage schticks and a hairstyle unseemly for a man of his age there remains the undeniable fact that the Caledonian Cockney is responsible for some of the greatest recordings ever made Again and again the combination of his heartwacked songs and gravelly sensitive vocal delivery have conjured sonic magic The bulk of Stewart's classic recordings were made in the 1970s His string of albums for the Mercury label across the first half of that decade sent critics into raptures His 1971 album *Every Picture Tells a Story* is considered by some of them to literally be the best album of all time Said semi decade also saw Stewart front the Faces whose often likeably ramshackle albums gave his fans a double dose of their idol each year On top of this are solo Stewart classics that are neglected because he released them after a point where his increasingly outlandish image caused some of his original fans to disdain to any longer take him seriously They include the splendid 1976 LP *A Night on the Town* and his peerless confessional love songs of 1977 *You're in My Heart* *The Final Acclaim* and *I Was Only Joking* All of this and more is the subject of *Rod Stewart The Classic Years* Sean Egan has interviewed at length many of Stewart's colleagues collaborators and cohabitantes from the period including musicians Micky Waller Pete Sears Ray Jackson Ian McLagan Kenney Jones and Jim Cregan recording engineer Mike Bobak manager Billy Gaff and Stewart's then girlfriend and muse Dee Harrington The result is a striking and evocative portrait of the most fecund and vital stage in the life and career of one of popular music's most important artists *The Herald Diary 2013* Ken Smith, 2013-10-13 It was a year of big questions in Scotland should we become independent When will the economy improve What happened with all that sun And will we hear the pitter patter of tiny panda paws on Scottish soil soon These questions and so many more were put to *The Herald* newspaper's *Diary* column where views on world affairs plus all the hilarious stories of the daft and delightful things that happen throughout Scotland every day of the year are culled polished and printed And now presented in this compilation are the very best stories gathered from across the country and around the world telling all the funny tales that happened to Scots sometimes in the most unlikely of places Sure to make you cry with laughter this year's *Herald Diary* is not to be missed *Second Yellow* John Smith, 2020-09-21 *Second Yellow* More Adventures of our Footballing Heroes brings you more funny fascinating and downright baffling tales gleaned by authors John Smith and Dan Trelfer from their unflagging research of over 240 footballer autobiographies Together they have pored through the works of genuine legends cult heroes and players they can only dimly

recall from their 1983 Panini sticker albums to find stories and facts that will delight shock and confuse sometimes all at once There s the chairman who owned a ventriloquist s dummy called Algernon There s the Liverpool legend who set a team mate s wife s hair on fire There s the Arsenal star who confronted some innocent fans with a samurai sword And there s the Ipswich hero who took on Sylvester Stallone in an arm wrestling contest possibly inspiring Stallone s half forgotten epic Over The Top This book covers all the bases of the typical footballer s life love violence gambling horrific injury banter it s mostly banter and apparently pigeons

The Small Faces and The Faces Andrew Darlington,2025-06-20 Small Faces Big Sound There were but four Small Faces First they were the sharp little mod fourpiece of the All Or Nothing Decca years Carnaby Street Ready Steady Go and Rave magazine Then they were the irreverent freakbeat experimentalists of the Immediate years with Tin Soldier Lazy Sunday and classic album Ogdens Nut Gone Flake Their hits were praised covered and imitated by subsequent rock musicians such as Paul Weller and Noel Gallagher When The Small Faces split Steve Marriott formed Humble Pie with Peter Frampton and the rest of the band became The Faces with the addition of future Rolling Stone Ron Wood and vocalist Rod Stewart The Faces became one of the biggest rock bands of the seventies via albums such as A Nod Is As Good As A Wink To A Blind Horse and Ooh La La or worldwide hit Stay With Me When those bands came to a natural end and with Itchycoo Park returned to the top ten The Small Faces reformed for two more albums Were they ill advised or are they ripe for re evaluation The evidence is laid out here For this is the full story song by song from the very start to the end Andrew Darlington is a hack writer a self educated acrobat juggling words Jefferson Airplane musician Grace Slick once politely declined his offer of marriage His latest poetry collection is Tweak Vision The Word Play Solution To Modern Angst Confusion and his Science Fiction Novel In The Time Of The Breaking are both from Alien Buddha Press USA He s also written a biography of Beatles PR Derek Taylor called For Your Radioactive Children Days In The Life Of The Beatles Spin Doctor published by SonicBond who also published his 2021 book The Hollies On Track His writing can be found at Eight Miles Higher <http://andrewdarlington.blogspot.co.uk>

1984: The Year Pop Went Queer Ian Wade,2024-07-18 MAGNIFICENT CAITLIN MORAN A riveting read about a pop revolution hiding in plain sight PETE PAPHIDES Very funny and very moving JUDE ROGERS In 1984 pop came out of the closet even if not all of the artists felt that they could and in the process charted the course of the rest of the decade In 1984 The Year Pop Went Queer writer and musician Ian Wade charts where these artists including Queen George Michael David Bowie Pet Shop Boys Frankie Goes to Hollywood and Madonna who all enjoyed chart success in 1984 were during that epoch making year It studies the impact these groundbreaking musicians had before during and after on the gay community and popular culture and it demonstrates how they were able to break down barriers raise consciousness and set in motion the first nascent ripples in a pond that are still being felt today As a backdrop it explores the strides made in the name of the cause and how the wider surrounding culture reacted with equal parts glee bafflement and disgust

Rod Rod Stewart,2012-10-23 A personal portrait by the legendary music artist

recounts his life on and off the stage from his humble British roots and his riotous years on tour with the Jeff Beck Group and the Faces to his three marriages and his decades as a solo performer This book was previously listed in Forecast 300 000 first printing **Sgt. Pepper's Lonely Hearts Club Band** Brian Southall,2017-05-09 A carefully crafted and collectible volume celebrates the 50th anniversary of a legendary and groundbreaking Beatles album Expert Brian Southall s unique edition recounts the story behind the music and the cultural climate of 1967 when Sgt Pepper s Lonely Heart Club Band debuted The A side of this coolly curated title is all about the Beatles the music on the album the recording process how the disc was received at the time and how it has been acknowledged as one of the greatest albums ever recorded The B side looks at the state of the world in 1967 from the Summer of Love to anti war protests to the launch of Rolling Stone magazine to Jimi Hendrix s first UK tour as a solo artist and so much much more Fascinating photographs and text build a complete picture of the world as it was when one of the most famous albums of all time was released The British Blues Network Andrew Kellett,2017-09-19 Beginning in the late 1950s an influential cadre of young white mostly middle class British men were consuming and appropriating African American blues music using blues tropes in their own music and creating a network of admirers and emulators that spanned the Atlantic This cross fertilization helped create a commercially successful rock idiom that gave rise to some of the most famous British groups of the era including The Rolling Stones The Yardbirds Eric Clapton and Led Zeppelin What empowered these white middle class British men to identify with and claim aspects of the musical idiom of African American blues musicians The British Blues Network examines the role of British narratives of masculinity and power in the postwar era of decolonization and national decline that contributed to the creation of this network and how its members used the tropes vocabulary and mythology of African American blues traditions to forge their own musical identities Authorship Roles in Popular Music Ron Moy,2015-06-19 Authorship Roles in Popular Music applies the critical concept of auteur theory to popular music via different aspects of production and creativity Through critical analysis of the music itself this book contextualizes key concepts of authorship relating to gender race technology originality uniqueness and genius and raises important questions about the cultural constructions of authenticity value class nationality and genre Using a range of case studies as examples it visits areas as diverse as studio production composition DJing collaboration performance and audience This book is an essential introduction to the critical issues and debates surrounding authorship in popular music It is an ideal resource for students researchers and scholars in popular musicology and cultural studies **The British Beat Explosion** Zoe Howe,Michele Whitby,John Platt,Gina Way,Peter Davis,2013-12-03 Edited by JC Wheatley Written by Michele Whitby and Zoe Howe Voted Best Blues Book 2014 by Blues Matters Have you heard about Eel Pie Island Anyone with an interest in the history of UK rock n roll is familiar with The Cavern Club and the role that Merseyside played in the story of the British Beat scene But on a far less celebrated but no less significant path over a small bridge onto an island in the middle of the Thames Eel Pie Hotel another great 60s club night played host to acts that would

later make a global name for themselves The Rolling Stones Long John Baldry Rod Stewart Pink Floyd The Small Faces David Bowie and The Yardbirds are amongst the many acts who performed at the legendary Eel Pie Hotel during its 50s and 60s heyday as did jazz greats like Ken Colyer Kenny Ball and Acker Bilk as well as more avant garde performers like Ivor Cutler But how did The Eel Pie Club become such a popular venue What motivated its founder Arthur Chisnall to create a space where young people could enjoy the music they wanted to in an environment free from the usual constraints Why has this thriving West London scene been omitted from rock history when its influence has spread far and wide Recently bands like The Mystery Jets have paid homage to Chisnall s fabulous club playing gigs on the island that launched careers and cemented rock s infamous relationships The latest incarnation of the Eel Pie Club is alive and well This book traces the origins of a scene that is long overdue for recognition Reviews The British Beat Explosion Rock n Roll Island awarded Best Blues Book 2014 by Blues Matters magazine who said Here there are fascinating interviews with performers and fans oral histories explaining why and how Eel Pie became the unlikely centre of a transformative musical and social scene From the perspective of an Eelpieland regular back in the day it s a wonderful read with great pictures I couldn t put it down Steven Cockcroft

Origins of a Song Jake Grogan, 2018-05-01 David Bowie tired of the rock n roll Los Angeles lifestyle picks up and moves to West Berlin Sixteen year old Rod Stewart sneaks into a music festival and has a coming of age experience Paul McCartney dreams of his deceased mother The rest is music history For lyricists and listeners alike Origins of a Song is the inspiring collection of 202 true stories behind the world s greatest lyrics Delve into the compelling real life stories behind the world s greatest lyrics with Origins of a Song Featuring profiles of 202 musical masterpieces that span genres and generations this book explores the inspiration and creative process behind each song Get glimpses into the inception of these timeless tunes and learn about the individual creative process for these songwriters and musicians Origins of a Song will not only leave you with a different perspective on your favorite songs but it will also have you inspired to start crafting some yourself Author Jake Grogan is originally from Ellenville New York and currently resides in Queens He has a BA from Fordham University where he studied journalism The story behind his favorite song Dancing Queen by ABBA inspired him to pursue Origins of a Song

We Could Be Tom Hagler, 2021-10-19 With consultant editor Tony Visconti David Bowie s story has never been told quite like this Tracing the star s encounters with fellow icons throughout his life We Could Be offers a new history of Bowie collecting 300 short stories that together paint a portrait of humour humility compassion tragedy and more besides He embarrasses himself in front of Lennon and Warhol He saves the life of Nina Simone He is hated by Bob Dylan He teaches Michael Jackson the moonwalk Individually astonishing together these stories including details never before revealed build a new picture of Bowie one which shows his vulnerability his sense of humour his inner diva Exhaustively researched from thousands of sources by BBC reporter and Bowie obsessive Tom Hagler with the guidance and memories of Bowie s long time producer Tony Visconti We Could Be is fascinating comic compelling and a history of Bowie

unlike any that has come before *The Yardbirds* Andrew Darlington, 2025-10-17 There are many reasons for loving The Yardbirds that go way beyond knowing that the group was the launchpad for three superstar guitarists Eric Clapton Jeff Beck and Jimmy Page The Yardbirds operated as an interdependent unit from their most blueswailing origins in which they followed The Rolling Stones with a Crawdaddy Club residency through their series of innovative hit singles For Your Love Evil Hearted You I'm a Man into Shapes of Things and beyond which rivalled The Beatles The Kinks and The Who at the very bleeding edge of 1960s rock culture The neglected psychedelic classics Happenings Ten Years Time Ago and Mister You're a Better Man Than I carried their legacy over into the punk era Their cult albums Five Live Yardbirds Roger The Engineer and Little Games remain highly esteemed and collectable decades later while their sequence in Michelangelo Antonioni's Blow Up movie catches the sixties at its most swingingly iconic Classic rock seldom came as classic as it does with The Yardbirds now considered stars of heritage rock This book exhaustively traces the full Yardbirds story track by track from first to last then picks up the narrative as former members become Led Zeppelin Renaissance Box of Frogs to the later Yardbirds reunion after the death of frontman Keith Relf While interviewing Fairground Attraction for their recent second album Andrew Darlington found himself discussing favourite biscuits and the correct art of dunking with singer Eddi Reader As part of UV Pop Andrew's own lyrics can be found on the CD See You Later Cowboy His popular Eternal Assassin Sci Fi Fantasy stories are available from Tule Fog Press taking the chronology from prehistory all the way into the far future This book follows his other works on The Hollies The Human League and The Small Faces He lives in Ossett West Yorkshire **Hope I Get Old Before I Die** David Hepworth, 2025-03-04 From the author of *Abbey Road* and *Never a Dull Moment* the basis for AppleTV's 1971 documentary come the stories of how rock icons like Pink Floyd Bruce Springsteen Mick Jagger and more have survived thrived and remained the most powerful forces in music When Paul McCartney closed Live Aid in July of 1985 we thought he was rock's Grand Old Man He was forty three years old As the forty years since have shown he and many others of his generation were just getting started This was the time when live performance took over from records The big names of the 60s and 70s exploited the Age of Spectacle that Live Aid had ushered in to enjoy the longest lap of honor in the history of humanity continuing to go strong long after everyone else in the business had retired This is a story without precedent a story in which Elton John plays a royal funeral Mick Jagger gets a knighthood Bob Dylan picks up a Nobel Prize The Beatles become if anything bigger than The Beatles and it's beginning to look as though all of the above will thanks in a large part to technology be playing in Las Vegas forever **Ten Years in the Tub** Nick Hornby, 2016-04-12 How often do you begin reading a book that makes you immediately urgently desperately want to read more books Booklist Nick Hornby has managed to write just such a book in this hilarious insightful and infectious volume *Ten Years in the Tub* chronicles Hornby's journey through a decade's worth of books as related in his wildly popular *Believer* column *Stuff I've Been Reading Ten Years in the Tub* is a one way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime but it's

also a meditation on what Celine Dion can teach us about ourselves a warning about how John Updike can ruin our sex lives and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days This decade long addiction for many makes standing in line at the bank a blessed interval for snorting another page the New York Times Book Review

Never a Dull Moment David Hepworth, 2016-06-07 The basis for the new hit documentary 1971 The Year That Music Changed Everything now streaming on Apple TV A rollicking look at 1971 the busiest most innovative and resonant year of the 70s defined by the musical arrival of such stars as David Bowie Pink Floyd Led Zeppelin and Joni Mitchell On New Year's Eve 1970 Paul McCartney told his lawyers to issue the writ at the High Court in London effectively ending The Beatles You might say this was the last day of the pop era The following day which was a Friday was 1971 You might say this was the first day of the rock era And within the remaining 364 days of this monumental year the world would hear Don McLean's American Pie The Rolling Stones Brown Sugar The Who's Baba O'Riley Zeppelin's Stairway to Heaven Rod Stewart's Maggie May Marvin Gaye's What's Going On and more David Hepworth an ardent music fan and well regarded critic was twenty one in '71 the same age as many of the legendary artists who arrived on the scene Taking us on a tour of the major moments the events and songs of this remarkable year he shows how musicians came together to form the perfect storm of rock and roll greatness starting a musical era that would last longer than anyone predicted Those who joined bands to escape things that lasted found themselves in a new age its colossal start being part of the genre's staying power *Never a Dull Moment* is more than a love song to the music of 1971 It's also an homage to the things that inspired art and artists alike From Soul Train to The Godfather hot pants to table tennis Hepworth explores both the music and its landscapes culminating in an epic story of rock and roll's best year

Rod Rod Stewart, 2012-10-23 The extraordinary life and career of music legend Rod Stewart in his own words for the first time With his soulful and singular voice narrative songwriting and passionate live performances Rod Stewart has paved one of the most iconic and successful music careers of all time He was the charismatic lead singer for the trailblazing rock and roll bands The Jeff Beck Group and The Faces and as a solo artist the author of such beloved songs as Maggie May Tonight's the Night Hot Legs Da Ya Think I'm Sexy Young Turks Forever Young and You Wear It Well Now after more than five decades in the spotlight he is finally ready to take a candid and romping look back at his life both on and off the stage From his humble British roots to his hell-raising years on tour with his bandmates not forgetting his great loves including three marriages and eight children and decades touring the world Rod delivers a riveting ride through one of rock's most remarkable lives

Rock Music, Authority and Western Culture, 1964-1980 James A. Cosby, 2024-02-07 The history of rock and roll music can be seen in a long arc of Western civilization's struggle for both greater individual expression and societal stability In the 1960s the West's relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years

important truths unfold in the stories of British Invaders hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater individuality and social stability may be better reconciled moving forward

Who Should Sing Ol' Man River? Todd R. Decker, 2015

Who Should Sing Ol' Man River The Lives of an American Song tells the almost eighty year performance history of a great popular song Examining over two hundred recorded and filmed versions of Jerome Kern and Oscar Hammerstein II's classic song the book reveals the power of performers to remake one popular song into many different guises
