Running On Empty :

Running on Empty Peter G. Peterson, 2004-08-01 When Bush came to office in 2001 the 10 year budget balance was officially projected to be at a surplus of 5.6 trillion. But after three big tax cuts, the bursting of the stock market bubble and the devastating effects of 9/11 on the economy, the surplus has evaporated and the deficit is expected to grow to 5 trillion over the next decade. The domestic deficit is only the half of it. Given our 500 billion trade deficit and our anemic savings rate, we depend on an unprecedented 2 billion of foreign capital every working day. If foreign confidence were to wane, this could lead to the dreaded hard landing. Peter G. Peterson, a lifelong Republican, chairman of the Blackstone Group and former secretary of commerce under Nixon, shatters the myths with hard facts and a harrowing view of the twin deficits' real impact. Republicans and Democrats alike have mortgaged America's future through reckless tax cuts, out of control spending and Enron style accounting in Congress. And the situation will only get worse as the Baby Boom generation begins to retire, making unprecedented demands on entitlement programs like Social Security and Medicare. Despite what Bush says, we are on a path that could end in economic meltdown and we simply cannot grow out of the deficit. In *Running On Empty*, Peterson sounds the warning bell and prescribes a set of detailed solutions which, if implemented early, will prevent the need for draconian measures later. He takes us behind the politicians' smoke and mirror games and forcefully explains what we must do to rescue the future of our country.

Running on Empty Ken Casper, 2008-11-01 NASCAR crew chief Hugo Murphy could never forget Sylvie Ketchum, especially since he only had to look at her daughter to be reminded of the woman he'd loved. But she'd deserted him and Kim without a word, shattering their hopes and dreams. Nothing could fill the void except NASCAR. Years ago, Sylvie had loved Hugo with all the fiery impetuosity of youth. But she'd had a secret that had torn them apart. Now she had a chance to atone for her mistakes and save the life of the child she'd left behind. But doing so meant dealing with her ex-husband Hugo again and having the strength to finally tell him the real reason she'd left him and the world of NASCAR behind.

Harville Hendrix, PhD, she also explains exactly what to do about it. Terry Real, internationally recognized family therapist, speaker, and author of Good Morning America, The Today Show, 20/20, Oprah, and The New York Times, "You will find practical solutions for everyday life to heal yourself and your relationships. Running on Empty Fil Anderson, 2009-06-10 Learn to live with God instead of for God. In this candid and achingly authentic book, Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God, the God who specializes in filling empty souls. Fil Anderson had accomplished more for God than most of his contemporaries, but his worn-out body housed an empty soul. His frenetic pace of ministry had earned him just one thing: greater pressure to do even more. He had fallen for the soul-killing lie that doing more for God would give his life meaning. Then the godly admonition of a spiritual director set this burned-out believer on a life-saving spiritual path. Sometimes the only way to get a new life is by running your old one completely into the ground. This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty. It's the story of reclaiming your soul and finding a home in the center of God's relentless love. It's the journey from self-importance to God-importance. To the harried and the unharried, I pray that this book will minister to your heart in the profound way that it has blessed mine.
