

My winter holidays essay. My winter vacation essay.

Winter is my favourite season. I love my winter holidays. I have a lot of free time and can spend it with my friends. When it snows, we usually make snowmen. We also go sledding down the hill. I love making snow angels. I lie in the snow and flap my arms. It is fun. My friends and I like to have a good snowball fight. We laugh a lot. When we get too cold, we go into the house and have a cup of hot chocolate.

Every winter holiday I go to the country to visit my grandparents. I help my Grandpa to shovel the snow off the paths. Then my grandma and I bake cookies and make tea. We sit near the fireplace and talk. My friends and I sometimes go skating. I can skate very well. In the evening my grandparents and I watch TV.

Winter has great holidays. My favourite are Christmas and New Year's Day. I meet my relatives and get a lot of presents.

Teaching Adolescent Writers Kelly Gallagher, 2023-10-10 In an increasingly demanding world of literacy it has become critical that students know how to write effectively From the requirements of standardized tests to those of the wired workplace the ability to write well once a luxury has become a necessity Many students are leaving school without the necessary writing practice and skills needed to compete in a complex and fast moving Information Age Unless we teach them how to run with it they are in danger of being run over by a stampede a literacy stampede In *Teaching Adolescent Writers* Kelly Gallagher shows how students can be taught to write effectively Gallagher shares a number of classroom tested strategies that enable teachers to Understand the importance of teaching writing and how to motivate young writers Show how modeling from both the teacher and real world texts builds young writers Provide choice of what to write which helps elevate adolescent writing and how to fit it into a rigorous curriculum Help students recognize the importance of purpose and audience Assess essays in ways that drive better writing performance Infused with humor and illuminating anecdotes Gallagher draws on his classroom experiences and work as co director of a regional writing project to offer teachers both practical ways to incorporate writing instruction into their day and compelling reasons to do so *Children's Multilingual Development and Education* Alison L. Bailey, Anna V. Osipova, 2015-12-03 The study of families and educators who successfully sustain children s linguistic resources is a novelty in current educational research where focus has largely been on the development of students English language skills In this book Alison L Bailey and Anna V Osipova provide a systematic examination of the beliefs and practices of parents and educators who share the common goal of improving educational and social outcomes for multilingual children Giving voice to parents and educators they explore the strategies being devised to foster multilingualism and support its development both at home and in the classroom This book presents new research findings and combines these with compelling firsthand accounts of the successes and concerns of both families and educators making its content pertinent to a wide audience of researchers and a range of higher education courses *CLASH!* Sandra Vavra, Sharon L. Spencer, 2011-09-01 This book offers ideas that secondary teachers university content faculty and teacher educators can use to challenge traditional literacy practices and demonstrate creative innovative ways of incorporating new literacies into the classroom all within a strong theoretical framework Teachers are trying to catch up to the new challenges of the twenty first century It is a superheroic feat that must be achieved if education is to stay relevant and viable There is a lot of zip bam whap and wow in the fast paced social networking technological world but not so much in the often laboriously slow paced educational world Where is the balance How do teachers and students learn together since one group has seasoned wisdom with limited technological know how and the other uses all the cool new tools but not in the service of learning These are some important issues to consider in finding the balance in an unstable fast moving ever changing world This book is practical and useful to literacy teachers teacher educators and university faculty by bringing together the
