Re-Evaluation
SPEECH-LANGUAGE EVALUATION

NAME: Male Student   CA:
SCHOOL: DOB:
                                                        TEST DATE:
EVALUATOR: REPORT DATE:

REASON FOR REFERRAL:

Student was referred for a speech-language evaluation of his language communication skills. Student is currently in speech and language therapy in School for language therapy. The present assessment is part of an evaluation to determine if language services are required.   This evaluation will report Student's levels to determine if he is eligible for speech and language services.

BEHAVIORAL OBSERVATIONS:

Student listened carefully to instructions and asked for repetitions at times. Student presents with a very quiet demeanor. He attended to task during testing with encouragement and minimal cues to continue. The evaluation took place in his home. This was a quiet and calm environment for testing. His mother was present in the home during the evaluation. Results are deemed valid.

INFORMAL LANGUAGE SAMPLE:

A language sample was obtained during informal conversation.   Student demonstrated little difficulty with expressing himself in a conversation with the examiner. He stated he enjoyed Geometry but did not enjoy history as much. He engaged with appropriate turn taking and topic management.

ASSESSMENT RESULTS:

The following measures were given to evaluate Student's present communication abilities:

Clinical Evaluation of Language Fundamentals – Fourth Ed. (CELF-4)
Expressive One-Word Picture Vocabulary Test (EOWPVT)
Informal Language Sample
Informal Writing Sample
Peabody Picture Vocabulary Test – Fourth Ed. (PPVT-4A)

Articulation:

Informal testing revealed articulation skills to be within functional limits and adequate for 100% intelligibility for an unfamiliar listener.

Voice:

The vocal parameters of pitch, quality, resonance, and loudness appeared within functional limits during the evaluation. He demonstrated a low volume at times when unsure of himself.

Fluency:

Fluency was adequate and within functional limits during structured and spontaneous communication.

Oral Peripheral:

A cursory oral peripheral examination was performed to assess range, strength, and coordination of oral musculature. Articulators were found to be within functional limits for speech production.

Sample Evaluation Report Speech Language Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sample Evaluation Report Speech Language has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sample Evaluation Report Speech Language has opened up a world of possibilities. Downloading Sample Evaluation Report Speech Language provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sample Evaluation Report Speech Language has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sample Evaluation Report Speech Language. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sample Evaluation Report Speech Language. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sample Evaluation Report Speech Language, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sample Evaluation Report Speech Language has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sample Evaluation Report Speech Language Books

1. Where can I buy Sample Evaluation Report Speech Language books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
