## SAMPLE ESSAY #4

### Narrative Essay

#### Take of Tears

In the fourth grade, I decided to perform in our school's annual talent show and picked the song "Take of Tears" by Justin Guarini, which was popular at the time, and I practiced for months. The day finally came for me to perform in front of the school in the school's "auditorium." With my sister, classmates, and teachers were I took the stage ready to sing my heart out. All of a sudden, a faint "beep" pierced my ears... then it got louder... and louder.

Suddenly, I realized that what seemed like the entire audience was having their own "moment," but only thought to myself "the show must go on." I held back my tears and my voice ran off the stage and collapsed into a ball, and cried hard the kind of crying that comes from the bottom of your stomach. The last you know there you will be able to stop.

I ended up going to the office to cry it out. Why would everyone else cry? Did they think I was sad? I cried in the office nearly all day, wiping my tears and sobbing again, and asking myself why. The school secretary tried to talk to me and when I don't remember what she said, I know that she eventually made me feel better. I dried my tears, took a deep breath, and went back to my classroom. I don't remember much else, but I remember looking back at the end of time and the light of dawn on my face.
