How to Invest in Real Estate (For Beginners) Maxwell Rotheray, 2019-05-06 Venturing into the business of real estate may be a daunting task but it doesn't have to be. If you have decided to invest in real estate and work diligently choosing the right investment vehicles that suit your purpose you are likely to reap all the wealth of benefits that accrue to smart investors. When you decide to start a career in real estate investing the first thing you should consider is that you are going into business. Unlike investing in stocks and shares where you invest your money and go home and relax. You earn dividend and you watch your capital appreciate if the shares are doing well on the stock market. In real estate you have control over your cash flow and you decide the kind of profit you want to make. No matter your situation young or old beginner or well established investor there are different types of investment options you can choose from but this can be accomplished if you have a plan that outlines what you are going to do and by extension what you are going to achieve. Also it is expected that you should have a real estate marketing strategy that shows how you go about accomplishing your goals. If we should go into details of your plan it will reveal some of the following:

- 1 Property types is it going to be a rental property commercial or vacation property rentals
- 2 Potential risks associated with the particular property such as economic downturn timing management expenses etc
- 3 Sources of funds how to buy when you don't have money
- 4 Returns expected from the investments
- 5 The right time to place your investment
- 6 What to do in order to achieve your investment goals

Both the game plan and the marketing strategy will show you the goals you want to accomplish and also the roadmap to achieving them. This book is a concise game plan bible for making profit in real estate investing. Following the strategies revealed in this book you will avoid real estate beginner pitfalls and speed up towards higher return on investment.

How to Start a Life Coaching Business Maxwell Rotheray, The annual salary of a life coach can range from 28 034 to 251 068 according to Payscale's salary database. Your salary as a life coach will however depend on several factors including:

- Your chosen market if you coach a top level management cadre you are likely to rake in more revenue.
- Your location if you serve a niche within a city such as New York you are likely to charge a higher fee but the cost of operation may also be higher.
- Your level of experience if you are particularly sound professional and have an excellent delivery pattern you are likely to charge more.
- Your training and credentials if you have been recommended and your coaching services have received approval from the industry body your brand equity will give you leverage to charge

more The vast majority of life coaches hourly rates fall within 75 and 200 per hour schooling a client which doesn't usually include preparation time When working on a retainer basis however coaches normally charge a client between 500 and 2 000 per calendar month On the profit side an ICF study of the Bureau of Labor Statistics shows that the average life coach earned 61 900 in 2015 This is considerably higher than the average annual wage of 36 200 in the same year This book covers a comprehensive guide on how to generate over 300 000 annual salary as a life coach We will take you through a step by step process of setting up a life coaching business and building your brand successfully If you are ready to start an exciting career as a life coach then this book is for you Tags Relationship coaching tools Life coaching description journal Life coach certification cost What is the role of a life coach Benefits of life coaching Life coach courses life coaching tools and exercises pdf coaching toolkits and toolbox questions with workbook how to start a business as a newbie startup business plan small businesses life coaching for successful women life coach discipleship cheap start up businesses small business forecasting expand your business trending business [Samsung Galaxy S10 User Guide](#) Sam a Newman,2019-08-15 The A to Z guide for new users of the Samsung Galaxy S10e S10 and S10 Plus has never been this comprehensive Unlike any other book this book provides the key to unlocking the potentials of your new Samsung Galaxy series as a beginner With several updated tips tricks and hacks at your disposal you can be sure to become an expert in less than a day As a hint some of the things to learn include Setting up your Samsung Se S10 and S10 Plus for the tasks ahead Transferring data from old Samsung Galaxy device to the new one Personalizing the home screen Exploring Bixby Tips for taking Ultra Wide photos Exploring S10 DeX mode experience Exploring Samsung Pay Updated tricks for getting the most out of the Samsung Se S10 and S10 Plus Comprehensive troubleshooting guide for optimal usage AND LOTS MORE I bet you have learnt virtually nothing impressive about the Samsung Galaxy 10 series Join the queue of people reading this book and sending copies as gifts also BUY NOW THE AUTHOR Sam Newman has been a certified apps developer and tech researcher for more than 15 years Some of his how to guides have appeared in a handful of international journals and tech blogs
