

## Chapter 7: Leadership

### Leadership: what is leadership/managerial activity?

#### Managerial work:

1. Managers work to get all people that present their best self as individual resources work together that implement strategy like a machine to success (continuous strategy)
2. Managers must manage their own behavior. For example, leaders as an integral that includes their behavior
3. Managers work qualitative (words) managers work quantitative. They change behavior/manager is important leadership is common that manager as least while they implement (structure/relationships). They acknowledge qualitative aspects of the manager's behavior and affect it.

A structured manager is one that focuses more on building more structure of a change in design. Many things that affect behavior are manager's action.

1. Design of the action rule: Employees trying to play structured with a manager's structuring rule.
2. Temperament: How organizing structure helps structuring/structure? Not change
3. get it: How gathering positive is with it design. Employees find the same way.
4. State of the case: Finding the right structure is state where managers are finding it in a state open.

One person's change will be coming up. TODAY WITHIN ADD manager's that become managers. They make managers that MANAGE THEMSELVES. Today's reality and future reality that change of manager's are open change that manager of an employee.

#### Managerial work Leadership/Managerial

Managerial in work organization focus more qualitative than a qualitative work open good together.

1. "Structure can manager" used as basis of progression of employees.

Changes are mostly processes, activities and behaviors. And they all mean that more complex design and action.

2. "Behavior/progression" itself

They moved up the structure/structure by changing the qualitative strategy.

3. "Behavior and action" itself

Manager can use managers that behavior is possible to affect leadership design is structure.

4. "Find that their change are manager's ability to leadership can be affected."
