Drum ,2001 **Mr. Food, from My Kitchen to Yours** Art Ginsburg,1996 Bring Mr Food and his family closer to yours as you get the inside scoop on the ingredients and experiences that made him what he is today as a syndicated television food personality Along the way explore popular dishes and food fads through more than five decades Each recipe is linked to an interesting story from Ginsburg s life along with never before seen photographs Transactions in Taste Manpreet Janeja,2020-11-29 In a radical departure from previous ethnographies of food this book asks how and why food is pivotal to social relations and forms of identity that emerge as normal and not normal It does so by describing the production consumption distribution and disposal of normal Bengali food in middle class households that employ cooks from poor classes and in Bengali restaurants in contemporary Calcutta India and Dhaka Bangladesh In a rare comparative foray into Bengali Hindu and Muslim food ways on both sides of the border the book includes addas idle talk and interviews with both men and women It initiates a dialogue that links issues of agency place hospitality and ownership with a new field that places food as an artefact at the centre of its inquiry It invites the reader throughout to approach food afresh as the key that unlocks the complexities of what is mundane yet profound the everyday The book thus analyses the constant and fraught negotiations that feed into definitions of normality class and identity in the deeply intimate yet intensely public domain of food Food transactions here provide a window into shifting configurations of trust power and conflict integral to social relationships shaped by events such as the 1943 44 Bengal famine the 1947 partition of India and the 1971 Bangladesh War
