The Gluten Free Pantry Vanessa Burgess, 2007-12-12 The Gluten Free Pantry is a cook book focussing on creating a pantry of whole grain, gluten-free foods that are appealing for all members of a household. Money and time factors are addressed to facilitate the gluten-free diet as an easier way of life for the individual and their family as families struggle to accommodate the celiac in their home or the celiac who is visiting. Also interwoven into this book is a deep consciousness of the interconnection between our food choices and the rest of the Earth.

Cooking For My Gluten Free Girlfriend Chris Brown, 2014-07-25 This book is a collection of gluten-free recipes from the 2013 year. Originally I was going to make a year's worth of recipes and the following year I would post them to an internet blog. Half way through the year I didn't like that idea anymore. I wanted to go right to the book. I came up with the idea of a book blog, which is more or less the same thing as a blog just in book form rather than on the internet. A glorified Christmas Letter if you will, with recipes to accompany it. I did in the end try to include as many different types of recipes as I could with a good mix of breakfasts, lunches, dinners, and desserts.
