, 2024-02-24 In this book I am introducing you to sourdough and long fermentation I want to show you that the most important ingredient is time and waiting for things to develop Also that you really do not need lots of sourdough to make a great loaf of bread Some of the recipes I have turned from yeasted dough into a sourdough I find that once you understand how all the ingredients work you can make a great product Bread will always differ from season to season because of the weather and the new season flour to name but a couple of things Some of the ingredients will be a bit more challenging than others so have patience and take it one step at a time It's really important to read the recipe thoroughly make sure you weigh out all your ingredients dry and wet and that you can see all your ingredients before you start mixing You'll also achieve the best results with good quality ingredients Throughout my baking career I have introduced bread making to lots of people and it is so pleasing to hear that they are enjoying making great bread I never get tired of making a loaf of bread because the magic starts from the time you start mixing and continues through to the moment you take the loaf out of the oven I hope you will have as much fun creating all the breads in this book as I have really enjoyed putting the recipes together Lastly do remember that if your sourdough is not bubbling your bread will not rise Happy baking Crumb Ruby Tandoh, 2015-04-28 A baking cookbook from The Great British Bakeoff contestant Ruby Tandoh with a focus on charming flavorful and practical dishes that celebrate the joy of casual baking Enjoy the pleasures that baking has to offer from the exertion of a long knead to the crackle of a loaf cooling on the countertop Crumb presents a simple yet exuberant sort of baking with recipes such as Chamomile Vanilla Cupcakes Rosemary Pecan Pie Fennel Seed Chile Crackers and Chocolate Lime Mud Cake that excite the palate and bring bliss to everyday baking A delight to read as well as to cook from Crumb covers a range of projects from sweet to savory including cakes cookies crackers bread pastries pies tarts and more This is baking stripped back and enjoyed
