**Red as a Rose is She** Rhoda Broughton, 1889 California Southland, 1924 *Red Lodge and the Mythic West* Bonnie Christensen, 2002 Tracing the story of Red Lodge from the 1880s to the present Christensen tells how a mining town managed to endure the vagaries of the West's unpredictable extractive industries economy She connects Red Lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town BOOK JACKET *Threshold of Eternity* John Brunner, 2015-12-17 Because of a twist in the structure of Time three strangers were brought unexpectedly together Red Hawkins of California Chantal Varese of London and a man from the 41st Century Their meeting seemed an impossible prank of a universe gone mad but it turned out to be quite otherwise For it seemed there was a war going on throughout space and time A war fought by men of different epochs on planets of different cultures but for a cause that all could acknowledge the very continued existence of creation itself And the coming together of these three very unlikely people a modern man a lovely girl and a futuristic soldier was to prove the master stroke of a super science strategy that had already brought humanity to the THRESHOLD OF ETERNITY Red Flower of China Zhai Zhenhua, 2003-07 The Cultural Revolution had transformed me into a devil writes Zhai In 1966 at age 15 she led a Red Guard brigade that tortured Chinese citizens branded counterrevolutionaries She beat innocent people to death and had others exiled her squad raided homes and murdered people Now a professor of engineering in British Columbia Zhai expresses remorse and guilt rather perfunctorily and her cool confession is tinged with rationalizations She blames the flourishing of her evil barbaric side on her blind faith in Chairman Mao Her fervor gave way to bitter disillusionment when she herself was banished to the countryside in 1969 to do three years of hard labor and be re educated by peasants This is a grisly account of how political brainwashing can induce converts to commit monstrous acts Echoes of the Red Earth Cornelius van Dijk, 2024-04-11 Dive into a captivating realm of speculative wonders with this bold and imaginative collection of post apocalyptic tales Within these pages you'll encounter extraordinary individuals who dare to seek a life beyond the confines of their small world defying conventions and pushing boundaries Venture forth with them as they journey beyond the horizon in search of the elusive source of ice scale an enigmatic mountain to uncover its secrets master the art of horsemanship or strive to escape the wrath of a relentless apocalypse of disease and fire But these stories are not only about physical journeys Each story pushes the boundaries of the characters world while also defying readers expectations in regard to gender identity and sexuality As philosophical as they are inventive Echoes of the Red Earth will challenge readers to reconsider their own world pushing them to view the things they take for granted in an entirely new light **A California Troubadour** Clarence Thomas Urmy, 1912 Music, 1893 **The Ex Games** Jennifer Echols, 2009-09-08 Brace yourself for the battle of the exes Hayden and Nick used to be a hot

item but their brief affair ended with a highly publicized breakup Now the two are just friends excluding the occasional flirtation When Hayden wins the girls division of a local snowboarding competition Nick is unimpressed claiming that Hayden wouldn't have a chance against a guy Hayden calls Nick's bluff and challenges him to a head to head boarding contest Their mutual friends quickly take sides the girls on Hayden's and the boys on Nick's making for an all out battle of the sexes This friendly competition is bound to get heated and they might end up igniting some old flames
