

A close-up photograph of a young child with dark skin and eyes, looking directly at the camera. The child is holding a white rectangular card in front of their chest. The card has the words 'LATE PASS' printed in bold, black, sans-serif capital letters. Below the printed text, there is handwritten information in blue ink: the number '850' on the left, the date '6/17/04' on the left, and a signature 'Thea' followed by 'H. H. H.' on the right. The background is blurred, showing what appears to be a classroom setting with shelves and books.

LATE PASS

Attendance & Punctuality Comments for the Busy Teacher

Report Card Comments Attendance

Rita Berry

Report Card Comments Attendance:

Writing Effective Report Card Comments Kathleen Crane, 2007 Thoughtful and constructive report card comments can improve parent teacher communication and student performance Each book features hundreds of ready to use comments in a variety of specific areas in academic performance and personal development General messages are also included as well as a robust list of helpful words and phrases

Report Card Comments Amanda Symonds, 2022-06-23 Are you tired of always feeling like you have to come up with new things to say about your students Are you always struggling to find good things to say These report card comments are a collection of all the things teachers might say about their students They cover everything from English writing reading comprehension to science and math skills like problem solving Save yourself hours by using and adapting our 300 phrases to suit what you want to express This book includes areas like general phrases class behavior homework classwork group work end of year evaluation goal setting and motivation You can find comments for every subject as well as positive and negative sentiment This makes it easy to find the right thing to say at any time without having to spend hours writing from scratch If you don't have a lot of time for preparing your own comments from scratch or are simply searching for new comment ideas and phrases then this ready to use teacher comments book is right for you

The Other Side of the Report Card Maurice J. Elias, Joseph J. Ferrito, Dominic C. Mocer, 2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you'll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students

Writing Effective Report Card Comments Susan Shafer, 1997 At last here is a practical book that gathers time saving tips from teachers on writing effective report card comments Packed with advice this resource will help you collect assessment information easily and describe your students performances clearly and constructively You'll find handy lists of phrases that encourage children words to avoid and concise advice on how to prompt parents to support learning at home Book jacket

Teacher's Book of Forms, 1998

Schooltalk Mica Pollock, 2017-02-07 An essential guide to transforming the quotidian communications that feed inequality in our schools from the award winning editor of *Everyday Antiracism* Words matter Every day in schools language is used whether in the classroom in a student teacher meeting or by principals guidance counselors or other school professionals implying intentionally or not that some subset of students have little potential As a result countless students underachieve others become disengaged and ultimately we all lose Mica Pollock editor of *Everyday Antiracism* the progressive teacher's must have resource now turns to what it takes for those working in schools to match their speech to

their values giving all students an equal opportunity to thrive By juxtaposing common scenarios with useful exercises concrete actions and resources Schooltalk describes how the devil is in the oft dismissed details the tossed off remark to a student or parent about the community in which she lives the way groups based on race ability and income are discussed in faculty meetings about test scores and data the assumptions and communication breakdowns between counselors teachers and other staff that cause kids to fall needlessly through the cracks or the deflating comment to a young person about her college or career prospects Schooltalk will empower educators of every ilk revealing to them an incredibly effective tool at their disposal to support the success of all students every day their words
