Sullivan, 2013-04-26 Many of us give up on prayer when we don't get the answer we want WHEN we want it For nearly two decades Saint Monica prayed for her wayward son Years and years of prayers seemingly unanswered Countless tears shed with no relief Yet she would not give up That very act of persistent prayer blessed the entire Church for we have all benefitted from the conversion of her son Augustine who became one of the most revered saints of all time Parents of any age or at any stage can cultivate the same virtues in prayer that Saint Monica discovered during her long wait for God's answer for her child This devotion includes 18 contemporary reflections meditations taken from the writings of Saint Augustine and prayers adapted from the liturgy and other ancient sources Don't give up Persistence in prayer can change everything for you your children and maybe even the world

The Life of Saint Monica F. A. [Frances Alice] Forbes, 2016-05-31 Saint Monica AD 331-387 also known as Monica of Hippo Be Timaniket was an early Christian saint and the mother of St Augustine of Hippo She is remembered and honoured in most Christian denominations albeit on different feast days for her outstanding Christian virtues particularly the suffering caused by her husband's adultery and her prayerful life dedicated to the reformation of her son who wrote extensively of her pious acts and life with her in his *Confessions* Popular Christian legends recall Saint Monica weeping every night for her son Augustine This book is above all things the story of a mother But it is also the story of a noble woman a woman who was truly great for the reason that she never sought to be so Because she understood the sphere in which a woman's work in the world must usually lie and led her life truly along the lines that God had laid down for her because she suffered bravely forgot herself for others and remained faithful to her noble ideals she ruled as a queen amongst those with whom her life was cast Her influence was great and far reaching but she herself was the last to suspect it the last to desire it and that was perhaps the secret of its greatness The type is rare at the present day but thank God there are Monicas still in the world If there were more the world would be a better place from the Preface
