Saints Barbara Calamari, Sandra DiPasqua, 2007 This comprehensive collection of the most enduring and enigmatic saints brings them to life through iconography art and story Each profile includes a biography with canonization patronage feast dates and prayers to and about each saint in a beautiful full color format **Ancient Saints, and Modern Commentators** Rev. G. W. Grogan, 1877 *Black Saints in Early Modern Global Catholicism* Erin Kathleen Rowe, 2019-12-12 This is the untold story of how black saints and the slaves who venerated them transformed the early modern church It speaks to race the Atlantic slave trade and global Christianity and provides new ways of thinking about blackness holiness and cultural authority **The Renaissance of the Saints After Reform** Gina M. Di Salvo, 2023 In the first book length study of the English saint play across the Reformation divide this book recovers the surprisingly long theatrical life of the saints It shows how saints in performance frequently diverged from religious narratives in the Middle Ages and also made a spectacular reappearance in the theatre of Shakespeare s time **Rituals of Death and Dying in Modern and Ancient Greece** Evy Johanne Håland, 2014-10-02 Winner of the AFS Elli K ng s Maranda Prize 2016 Multidisciplinary or post disciplinary research is what is needed when dealing with such complex subjects as ritual behaviour This research therefore combines ethnography with historical sources to examine the relationship between modern Greek death rituals and ancient written and visual sources on the subject of death and gender The central theme of this work is women s role in connection with the cult of the dead in ancient and modern Greece The research is based on studies in ancient history combined with the author s fieldwork and anthropological analysis of today s Mediterranean societies Since death rituals have a focal and lasting importance and reflect the gender relations within a society the institutions surrounding death may function as a critical vantage point from which to view society The comparison is based on certain religious festivals that are dedicated to deceased persons and on other death rituals Using laments burials and the ensuing memorial rituals the relationship between the cult dedicated to deceased mediators in both ancient and modern society is analysed The research shows how the official ideological rituals are influenced by the domestic rituals people perform for their own dead and vice versa that the modern domestic rituals simultaneously reflect the public performances As this cult has many parallels with the ancient official cult the following questions are central Can an analysis of modern public and domestic rituals in combination with ancient sources tell the reader more about the ancient death cult as a whole What does such an analysis suggest about the relationship between the domestic death cult and the official Since the practical performance of the domestic rituals was and still remains in the hands of women it is crucial to discover the extent of their influence to elucidate the real power relations between women and men This research represents a new contribution to earlier presentations of the Greek reality but mainly from the female perspective which is highly significant since men produced most of the ancient sources This means that the principal objective for this endeavour is to question the ways in which history has been written through the ages to

supplement the male with a female perspective perhaps complementing an Olympian Zeus with a Chthonic Mother Earth The research brings both ancient and modern worlds into mutual illumination its relevance therefore transcends the Greek context both in time and space *The History of Ireland, Ancient and Modern, Taken from the Most Authentic Records, and Dedicated to the Irish Brigade* James MacGeoghegan, Patrick O'Kelly, 2024-04-28 Reprint of the original first published in 1845 *Celebrating the Saints* Robert Atwell, 2017-02-17 For every major feast saint s day and commemoration in the calendars of the Anglican churches in the UK this liturgical resource and spiritual companion offers a feast of readings that reflects the richness depth and variety of the Christian tradition **Common Worship: Saints on Earth paperback**

Lives of Saints with Other Feasts of the Year According to the Roman Calendar Pedro de Ribadeneyra, 1669 Married Saints and Blesseds Ferdinand Holbock, 2017-06-21 Countless saints have been priests or religious living out lives of penance and sacrifice for the good of the Church But many Catholics don t realize that married couples are called to holiness as well Fr Holbock s tells the inspiring stories of over 200 married saints and blesseds from the Virgin Mary and St Joseph to Margaret of Scotland King Louis of France Thomas More and modern examples like Gianna Molla and Louis and Z lie Martin parents of St Th r se of Lisieux The example of these holy men and women is essential to living a truly Catholic married life Important Church documents and scripture passages are also included to further guide and enlighten the reader Many illustrations *Catalogue of Books belonging to the Saint Louis Mercantile Library Association, etc* Mercantile Library Association (SAINT LOUIS, Missouri), 1850 **Divine Authority, or, the Question, Was Joseph Smith sent of God? no.**

1 to 7 Orson PRATT, 1852 **Women, Pilgrimage, and Rituals of Healing in Modern and Ancient Greece** Evy Johanne Håland, 2023-07-21 This book investigates religious rituals and gender in modern and ancient Greece with a specific focus on women s role in connection with healing How can we come to understand such mainstays of ancient culture as its healing rituals when the male recorders did not and could not know or say much about what occurred since the rituals were carried out by women The book proposes that one way of tackling this dilemma is to attend similar healing rituals in modern Greece carried out by women and compare the information with ancient sources thus providing new ways of interpreting the ancient

material we possess Carrying out fieldwork being present during often enduring rituals within cultures despite other changes teaches one whole new ways of looking at written and pictorial records of such events By bringing ancient and modern worlds into mutual illumination this text also has relevance beyond the Greek context both in time and space **Ireland's Saint** J. B. Bury,2009-02-01 Explore Patrick s place in history the spread of Christianity beyond the Roman Empire how Patrick first came to Ireland the influence of the earlier Palladius on Patrick s work political and social conditions at that time and the spiritual battles with the Druids This 21st century edition now includes notes from other biographers mystics historians and storytellers of Ireland The ideal place to begin any exploration of a much loved but little known saint Bury proves to be more than a mere dry historian he turns out to be a fine storyteller as well and his accounts of Patrick s spiritual duels with Druid priests for the heart and mind of the Irish king are quite gripping History Book Club Editor writer Sweeney gives Bury s 1905 biography of the legendary St Patrick a greater contemporary context in this meticulously researched and presented work Bury wrote what Sweeney calls the ideal modern biography of Patrick Sweeney assembles and rearranges material from Bury s original work and incorporates more of Patrick s own words from his Confession and Letter against Coroticus Sweeney s light edits to Bury s text clarify exactly what Patrick did in Ireland noting that although he did convert some pagan kingdoms he also was responsible for organizing Christians who were already there and connecting the island with the church of the Roman Empire The Keys of Saint Peter, Or, The House of Rechab Connected with the History of Symbolism and Idolatry Ernst von Bunsen,1867 Saint Foucault David M. Halperin,1997-04-10 Although there is scarcely more than a mention of homosexuality in his scholarly writings Michel Foucault who died of AIDS in 1984 has become a source of inspiration to a generation of gay activists This book provides a defence of Foucault s work The Resurrection of the Body Armando Maggi,2009-05-15 Italian novelist poet and filmmaker Pier Paolo Pasolini was brutally killed in Rome in 1975 a macabre end to a career that often explored humanity s capacity for violence and cruelty Along with the mystery of his murderer s identity Pasolini left behind a controversial but acclaimed oeuvre as well as a final quartet of beguiling projects that signaled a radical change in his aesthetics and view of reality The Resurrection of the Body is an original and compelling interpretation of these final works the screenplay Saint Paul the scenario for Porn Theo Colossal the immense and unfinished novel Petrolio and his notorious final film Sal or the 120 Days of Sodom a disturbing adaptation of the writings of the Marquis de Sade Together these works Armando Maggi contends reveal Pasolini s obsession with sodomy and its role within his apocalyptic view of Western society One of the first studies to explore the ramifications of Pasolini s homosexuality The Resurrection of the Body also breaks new ground by putting his work into fruitful conversation with an array of other thinkers such as Freud Strindberg Swift Henri Michaux and Norman O Brown Hildebrand. Saint Francis of Assisi. The founders of Jesuitism. Martin Luther. The French Benedictines. The Port-Royalists Sir James Stephen,1853 The Latter-day Saints' Millennial Star ,1850
