The Language of Angels Joyce Rachelle,2016-01-21 Grace lives a fairly normal life with her mother and sister in a peaceful suburban village in the Philippines Working as a nurse at the local hospital and learning martial arts in her spare time she carries on with a routine where everything is as good as can be expected But a sudden grief takes over when her family is compelled to immigrate to the United States on a long standing petition they all thought would never come In an instant

Grace's childhood fear of death and separation resurface as she considers the possibility that she might never see her family again, an anxiety which is aggravated by her mother's poor health and the imminent revelation of a dark secret involving her father. This temporary separation however finds comfort in the promise of eternal life through Jesus Christ whom she learns about from a group of unlikely friends. As human reality dawns, can Grace handle the blow of a cold hard truth that will inevitably shake the very foundations of her newfound Christian faith? The Flashwater Murders Mick Hare, 2012-08-27

Private Investigator Ben Franklin is unsure about taking on a missing dog case. But when the first murder victim turns up and the police identify him as their prime suspect, he finds himself embroiled in a complex investigation. What are the strange occurrences taking place over the man-made lake known locally as The Flash? How is this beauty spot on the outskirts of Manchester linked to not one but two murders? With the moral fibre of a Phillip Marlowe and the determination of a 21st Century Sherlock Holmes and with his love life crumbling around him, Ben Franklin bursts on the scene as the first authentic British Gumshoe. Will he solve The Flashwater Murders? Beginning Graphics Programming with Processing 4 Antony Lees, Beginning Graphics Programming with Processing 4 FULLY UPDATED TO VERSION 4. A guide to creating exciting computer graphics with the popular Processing language. This book aims to teach the Processing programming language to both non-programmers and experienced programmers alike. Using the book, anyone can learn to create visually stunning graphics and animations regardless of prior experience and how to utilise them in web pages and Android applications. If you are new to programming, this unique book will take you through the fundamentals of graphics and object-oriented programming from first principles, using the exciting graphics of the Processing language to bring your programs to life and provide visual feedback of your progress with examples and explanations of all the steps along the way. New and experienced programmers alike will soon be creating stunning static and animated graphics programs using lines, shapes, and colour, and interacting with the keyboard and mouse to make exciting dynamic graphics that change with input from the user, before moving on to advanced topics such as image manipulation, trigonometry, curve physics, acceleration, 3D graphics. The book concludes with a comprehensive introduction to Processing's Programming Modes that provides concrete examples of using your new-found graphics programming skills. You will learn how to use Javascript mode to embed your graphics into web pages, Android mode to create amazing graphics and games for Android devices. The possibilities are truly endless. Welcome to the exciting world of graphics programming. A Story of Hope and Happiness Rosemary Bidwell, 2023-03-03. This is a story of triumph over adversity, an absorbing, thought-provoking, sometimes amusing but often heart-rending account of British businesswoman Rosemary Bidwell's struggles to set up and run an orphanage in Sierra Leone, West Africa, for orphaned street children, youngsters whose parents had been savagely killed in a truly awful civil war. Read how, against seemingly insurmountable odds, Rosemary founded the Cotton Tree Children's Trust charity in 2006 and set about raising thousands of pounds through donations, sponsorship, talks, and myriad fund-raising events to give 20 African children a second chance in life. Through her

charity Rosemary provided her charges not only with a roof over their heads regular meals clothing and general welfare and educational support but love and affection Read too how Rosemary had to overcome all manner of obstacles on the way to achieving her goal everything from corruption bribery fraud and interrogation by police for 11 hours without diplomatic representation to being falsely accused of child trafficking and suffering a suspected heart attack and having to be airlifted home Despite the trials and tribulations Rosemary has overcome the many and varied setbacks she encountered over a period of 18 years Today thanks to her dedication perseverance and Christian beliefs the Cotton Tree children can now face the future with confidence and know that they have been given an opportunity to prosper in life that sadly has been denied to so many other Sierra Leone children **The Airgun Hunters Chronicles** Miles Johannesburg,2013-01-17 For some hunting is a hobby a pastime even a sport Within the pages of this book are a collection of accounts and essays written by a man who wished to reinstate hunting to its passed glory as his and his family s only means to provide food for the body and nourishment for the soul A medium through which he could observe connect with and explore his environment not solely to exploit it Written over the course of a year Miles Johannesburg charts the changes in the seasons the habits of his prey with humour prose and vivid description He tests equipment experiments with age old techniques as well as manufacturing home made pellets Survivalist or hobbyist The Airgun Hunters Chronicles has something for anyone who has ever experienced a love for the great outdoors *America in JeruSALEm* Anat First,Eli Avraham,2009-10-26 In *America in JeruSALEm* the authors examine the effects of globalization and Americanization on the national identity of small nations Using Israel as a case study First and Avraham analyzed the changes in Israeli advertising over the past two decades They found that since the 90s Israeli advertisers began using American symbols values sights and heroes to promote diverse products without any consideration of the place they were actually made The perspective offered in this book a consideration of advertising as a locus of the tension between national identity and globalization Americanization is an innovative one generating a model that can be used to analyze national identity through advertising in the age of globalization Americanization Although many books have focused on numerous aspects of Israeli society *America in JeruSALEm* offers a new and accessible perspective on the changes in Israeli identity
