Comparative Spending Guide, 2001 **Other People's Children** Deborah Yaffe, 2007-11-15 In 1981 when Raymond Abbott was a twelve year old sixth grader in Camden New Jersey poor city school districts like his spent 25 percent less per student than the state s wealthy suburbs did That year Abbott became the lead plaintiff in a landmark class action lawsuit demanding that the state provide equal funding for rich and poor schools Over the next twenty five years as the non profit law firm representing the plaintiffs won ruling after ruling from the New Jersey Supreme Court Abbott dropped out of school fought a cocaine addiction and spent time in prison before turning his life around Raymond Abbott s is just one of the many human stories that have too often been forgotten in the policy battles New Jersey has waged for two generations over equal funding for rich and poor schools **Other People s Children** the first book to tell the story of this decades long school funding battle interweaves the public story an account of legal and political wrangling over laws and money with the private stories of the inner city children who were named plaintiffs in the state s two school funding lawsuits *Robinson v Cahill* and *Abbott v Burke* Although these cases have shaped New Jersey s fiscal and political landscape since the 1970s most recently in legislative arguments over tax reform the debate has often been too abstract and technical for most citizens to understand Written in an accessible style and based on dozens of interviews with lawyers politicians and the plaintiffs themselves **Other People s Children** crystallizes the arguments and clarifies the issues for general readers Beyond its implications for New Jersey this book is an important contribution to the conversations taking place in all states about the nation s responsibility for its poor and the role of public schools in providing equal opportunities and promising upward mobility for hard working citizens regardless of race or class Checklist of Official New Jersey Publications, 1994 **Other People's Children** Joanna Trollope, 1999 When Josie Carver marries Matthew Mitchell it is the second marriage for them both Each has children from their former marriages and the formation of the new step family causes much pain and divided loyalties All the members must overcome difficulties and grow through change in order to affirm their new family ties **Committee Meeting of Assembly Budget Committee [and] Assembly Education Committee** New Jersey. Legislature. General Assembly. Budget Committee, 2007 **PAIS Subject Headings** Public Affairs Information Service, 1990 **Tapping State Government Information Sources** Lori L. Smith, Daniel C. Barkley, Daniel D. Cornwall, Eric W. Johnson, J. Louise Malcomb, 2003-11-30 Each state government produces large varieties and quantities of useful information that are largely unknown outside their state of origin This book leads the public to the most useful information sources produced by each state as well as to depository libraries that will facilitate more effective research For each of the 50 states important publications are detailed along with information on how to obtain them The publications topics range from crime statistics to vital statistics business statistics health information statistical abstracts education directories state budgets economic indicators state laws and legal information and more **Tapping State Government Information Sources** has a broader focus

than previously published books in this subject area most of which have focused solely on depository laws useful state publications or indexes to state publications This book covers all three The first chapter describes print and electronic sources that provide information about all 50 states Each state s resources are then described in individual chapters When possible information about how to order a copy of the source is given as are Web addresses for titles that are available online At the beginning of each state chapter the state s legal definition of public document or its equivalent is given which may be of interest to librarians in states that are reexamining their own depository laws

A History of

New Jersey Libraries, 1997-2012 Christine M. Keresztury,2013-11-07 For the first time a library history is focused on the way in which libraries of all kinds have developed within a single state The growth of public libraries the state library school libraries academic libraries and special libraries are all considered in this one volume New Jersey s library history stretches back into the mid 18th century with the development of a small book collection by the colonial government In addition to the local events that shaped the growth of libraries in New Jersey this history also touches on the strong national trends that were at work which link New Jersey s development to similar occurrences in other states Thus to read the story of libraries in New Jersey is also to begin to understand the growth of libraries throughout the nation This volume follows an earlier history A History of New Jersey Libraries 1750 1996 and continues the New Jersey story forward to today
