Grey Wars N. W. Collins, 2021-06-29 An analysis of U S Special Operations at the center of America's twenty first century wars Grey Wars is for anyone who wants to understand today's fights Collins has done a great service by providing a well sourced clear and insightful look into the missions and activities of U S special operators Highly recommend Mike Thornton USN Seal ret Congressional Medal of Honor recipient and coauthor By Honor Bound Fascinating and deeply researched covering the defining moments in modern special operations Grey Wars is a must read for anyone interested in the post 9 11 world Admiral William H McRaven USN ret Ninth Commander of the U S Special Operations Command This original and accessible book is a comprehensive authoritative analysis of U S Special Operations U S Special Operations Command trains and equips units to undertake select military activities frequently high risk missions often for the purposes of counterterrorism and counterinsurgency Since 9 11 impelled by an attack on U S soil these forces have been a central instrument of America's military campaign operating in about one hundred countries on any given day This fight neither hot war nor cold peace was launched and executed as a new type of global war in 2001 and has since splintered into a spectrum of regional conflicts The result is our nation's grey wars hazy and lethal This contemporary history incorporating extensive interviews and archival research by security studies expert N W Collins delves deeply into the transformation of these forces since 9 11

Intervention Narratives Purnima Bose, 2020 Intervention Narratives examines contradictory cultural representations of the US intervention in Afghanistan that justify an imperial foreign policy Bose demonstrates that contemporary imperialism operates on an ideologically diverse terrain by marshaling familiar tropes of entrepreneurship pet love and Orientalist stereotypes to enlist support for the war across the political spectrum

America's Wars Thomas H. Henriksen, 2022-01-20 The collapse of the Soviet Union ushered in American global hegemony in world affairs In the post Cold War period both Democrat and Republican governments intervened fought insurgencies and changed regimes In America's Wars Thomas Henriksen explores how

America tried to remake the world by militarily invading a host of nations beset with civil wars ethnic cleansing brutal dictators and devastating humanitarian conditions The immediate post Cold War years saw the United States carrying out interventions in the name of Western style democracy humanitarianism and liberal internationalism in Panama Somalia Haiti Bosnia and Kosovo Later the 9 11 terrorist attacks led America into larger scale military incursions to defend itself from further assaults by al Qaeda in Afghanistan and from perceived nuclear arms in Iraq while fighting small footprint conflicts in Africa Asia and Arabia This era is coming to an end with the resurgence of great power rivalry and rising threats from China and Russia

Weapons of the US Special Operations Command Chris McNab, 2019-07-25 The units and formations of the US Special Operations Command SOCOM have privileged access to the finest weaponry in the world's arsenal Whether Army Navy Air Force or Marines the SOCOM troops select weapons that match their mission requirements but which also sit at the cutting edge of combat technology This means that while SOCOM troops frequently use standard issue weaponry they also adopt many specialist pieces of kit that are not so accessible to the broader armed services including sniper rifles battle rifles and machine guns as well as high tech tactical accessories used to transform standard weaponry into something exceptional Assessing the technology and capabilities of these combat weapons as well as how they have been used in modern combat this fully illustrated study lifts the veil on some of the most distinctive hand held weapon systems of US special operations forces since 1987

[Making Warriors in a Global Era](#) Tone Danielsen, 2020-07-07 To understand wars and armed conflicts we need to understand the inner logic of military institutions and warrior culture In *Making Warriors in a Global Era* Tone Danielsen employs ethnographic methods to analyze and discuss current debates among both military personnel and academics about the rise of the special operations forces and their effects on how armed conflicts are handled and wars are fought Based on a decade of research and Danielsen's unprecedented access inside a Norwegian Naval Special Operations Commando Danielsen describes the culture experiences and skill sets of a special operations unit and explores the historical and political implications these types of units have on modern warfare and society as a whole
