Our editors handpicked more than 2 000 recipes from the pages of the magazine to form this wide ranging compendium of our greatest hits. More than just a great collection of foolproof recipes The Cook's Illustrated Cookbook is also an authoritative cooking reference with clear hand drawn illustrations for preparing the perfect omelet carving a turkey removing meat from lobsters frosting a layer cake shaping sandwich bread and more 150 test kitchen tips throughout the book solve real home cooking problems such as how to revive tired herbs why you shouldn't buy trimmed leeks what you need to know about freezing and thawing chicken when to rinse rice and the best method for seasoning cast iron you can even run it through the dishwasher.
