Moving On---Moving Forward Michael Anthony, Mick Boersma, 2009-05-26 For most pastors and church staff members gone are the days of serving at the same church for twenty or thirty years What s more the landscape of pastoral hiring has

changed with the advent of more sophisticated search committees the Internet and professional search firms But the fine art of changing churches or moving to a new career isn't something most of us learned in seminary Whether you are searching for your first position or are a seasoned veteran wrestling with if when and how to move on *Moving On Moving Forward* will help you navigate the ins and outs of the ministry employment maze Based on research with nearly 200 pastors who themselves have gone through transitions in ministry this book uniquely addresses the needs of people in ministry It deals with the crucial and sometimes painful emotional and familial issues involved in ministry transition And it is immensely practical and informed by many real life examples Topics covered include dealing with search committees writing a letter of resignation preparing a resume negotiating compensation and more Includes charts and worksheets *The Pastoral Search Journey* John Vonnhof, 2010-03-01 Most churches have sought out a new pastor many times yet search committees often feel as though they are inventing the process from scratch In *The Pastoral Search Journey* John Vonnhof provides detailed guidance for search committees to ensure a good match between pastor and congregation This is Vonnhof's third book about the pastoral search but the first to discuss interim pastors transitions between pastors and the use of the Internet and digital media Vonnhof advises congregational leaders on establishing the search committee ensuring the congregation is cared for during the pastoral vacancy conducting the congregational self study and creating an information packet finding communicating with and interviewing candidates determining selection criteria as well as evaluating and recommending candidates managing call negotiations and finally welcoming the congregation's new pastor Sample letters forms and other tools are provided *A Christian Survival Guide* Ed Czerwinski, 2014-06-11 What enables some to survive as Christians when so many others falter Without resorting to empty answers clichés relativism or smug certainty *A Christian Survival Guide* provides an accessible and safe place to deal with issues that can give Christians sleepless nights By focusing on spiritual practices discussing solutions to faith struggles and offering perspectives from multiple Christian traditions this survival guide moves readers into a thriving relationship with God even if that means not necessarily finding all the answers *A Christian Survival Guide* doesn't run away from the big tough questions of life like Does the Bible have to be true Where is God in an evil world Did God sanction genocide Is hell eternal conscious torment Does money keep us from following Jesus
