Patrick Leigh Fermor (Signed Stock) Artemis Cooper,2012-10-11 **Travel, Tourism, and Identity** Gabriel R. Ricci,2017-09-29 Travel Tourism and Identity addresses the psychological and social adjustments that occur when people make contact with others outside their social cultural or linguistic groups Whether such contact is the result of tourism seeking exile or relocating abroad the volume s contributors demonstrate how one s identity cultural assumptions and worldview can be brought into question In some cases the traveller finds that bridging the social and cultural gap between himself and the new society is fairly easy In other cases the traveller discovers that reorienting himself requires absorbing a new cultural history and traditions The contributors argue that making these adjustments will surely enhance the traveller s or tourist s experience otherwise the traveller or tourist will be at risk of becoming a marginalized figure one disconnected from the society that surrounds him This latest volume in the Culture Civilization series features a collection of essays on travel and tourism The essays cover a range of topics from historical travels to modern social identities They discuss ancient travels contemporary travels in Europe Africa and sustainable eco tourism and the politics of tourism Essays also address experiences of Grenada s Spice Island identity and the effects of globalization and migrations on personal identity

My Face for the World to See Alfred Hayes,2013-07-23 Alfred Hayes is one of the secret masters of the twentieth century novel a journalist and scriptwriter and poet who possessed an immaculate ear and who wrote with razorsharp intelligence about passion and its payback My Face for the World to See is set in Hollywood where the tonic for anonymity is fame and you're only as real as your image At a party the narrator a screenwriter rescues a young woman who staggers with drunken determination into the Pacific He is living far from his wife in New York and long ago shed any illusions about the value of his work He just wants to be left alone And yet without really meaning to he gets involved with the young woman who has it seems no illusions about love especially with married men She's a survivor even if her beauty is a little battered from years of not quite making it in the pictures She's just like him he thinks and as their casual relationship takes on an increasingly troubled and destructive intensity it seems that might just be true only not in the way he supposes *In Love* Alfred Hayes,2013-07-23 This heart stoppingly good masterpiece about a crumbling love affair in 1950s New York perfectly captures the desperate desire for love and the recognition that it is slipping away Slate One of the greatest bleakest breakup stories ever told The New York Observer New York in the 1950s A man on a barstool is telling a story about a woman he met in a bar early married and soon divorced her child farmed out to her parents good looking if a little past her prime They'd gone out they'd grown close but as far as he was concerned it didn't add up to much He was a busy man Then one day out dancing she runs into a rich awkward lovelorn businessman He'll pay for her to be his pay her a lot And now the narrator discovers that he is as much in love with her as she is with him perhaps more though it will take him a while to realize just how utterly lost he is Executed with the cool smoky brilliance of a classic Miles Davis track In Love is an unequalled exploration of the tethered and untethered heart *The Alteration* Kingsley Amis,2013-05-07 BOOKER PRIZE WINNING

AUTHOR Set in a world in which the Reformation failed this award winning science fiction tale is one of the best alternate worlds novels in existence Philip K Dick In Kingsley Amis s virtuoso foray into virtual history it is 1976 but the modern world is a medieval relic frozen in intellectual and spiritual time ever since Martin Luther was promoted to pope back in the sixteenth century Stephen the Third the king of England has just died and Mass Mozart s second requiem is about to be sung to lay him to rest In the choir is our hero Hubert Anvil an extremely ordinary ten year old boy with a faultless voice In the audience is a select group of experts whose job is to determine whether that faultless voice should be preserved by performing a certain operation Art after all is worth any sacrifice How Hubert realizes what lies in store for him and how he deals with the whirlpool of piety menace terror and passion that he soon finds himself in are the subject of a classic piece of counterfactual fiction equal to Philip K Dick s The Man in the High Castle The Alteration won the John W Campbell Memorial Award for best science fiction novel in 1976
