## **Pattaya Short Stories:**

Pattaya Short Stories Peter Torjesen, 2014-11-16 Pattaya love it or hate it this steaming city by the sea possesses a rich tapestry of characters and events presenting the perfect stage for a fiction author to write about The print version of Pattaya Short Stories combines both volumes of the original ebooks There are five richly entertaining tales of scams greed corruption and treachery in the city of sin Join Alex as he engages in a life threatening pursuit of a Nigerian scam artist Experience the hopelessness of Gerhard as he butts heads with Pattaya mafia and tries to flee Have a drink in The Liar s Pub and get to know the interesting tales from the pub s regulars Fall in love with a bar girl and learn how easily money can corrupt a relationship in this case with potentially fatal consequences Finally live it up large with John in his million dollar beach house successful business and questionable morals How far will John go to get what he wants and at what price

Thailand-Newbie Sawas Dee, 2016-11-26 The German author is presenting the English translation of his successful serial book Thailand Neuling In an entertaining way Sawas Dee brings us closer to the culture and mentality of Thai people His stories about Thai girls give an amazing view on the life of an expat in Pattaya **Short Stories of Travel and Adventure** Paul De Marco, 2018-11-27 This book is a fascinating collection of short stories about chance encounters travel love and adventure all of which are entirely true When we are young and before the weight of responsibility and the complexities of life have smothered our adventurous spirit we should see the world Travel makes those moments possible where our path through life crosses that of someone unexpected who may leave us enriched or even changed forever So travel may lead us to love but it can equally take us into situations of great danger A Fool's Diary Neil Hutchison, A hilarious romp through a year of expat living in Pattaya Thailand Imagine leaving the comfort zone of your home family and friends to venture into the unknown Imagine discovering an alien paradise only to realize that here you are the alien who has to try to fit into your new environment Imagine stumbling through a year of discovery among a tapestry of blunders and imagine that all the while you don t have a clue what you are doing That takes a lot of imagination but not for The Fool By the author of the best selling Money Number One this book is the third in a trilogy of titles following The Fool in Paradise theme In this instance Paradise refers to the Kingdom of Thailand and The Fool of course is the author The first in the series A Fool in Paradise was published in November 2003 It is a collection of 39 short stories about life in Thailand with particular attention to the entertainment scene in Pattaya The second A Fool is Back came out in December 2004 and contained a further 32 stories along a similar vein concentrating on fun and humour Finally after many delays due primarily to the bone laziness of the author A Fool s Diary is born More than a collection of tales it chronicles a year in the life of a simple man sometimes insightful sometimes philosophical but always with a dry wit that takes no prisoners **Pattaya : Two Week Millionaire** Ida-Mae Mann, 2025-06-08 The Two Week Millionaires Every year thousands of men grey at the temples eyes lined with the stories of a life already half lived arrive in Pattaya stepping off the plane with dreams of a new beginning They come from

London Manchester Sydney New York anywhere the years had started to weigh too heavily on their shoulders Here in this neon lit paradise the burdens of age feel lighter They land with fat pensions redundancy payouts or nest eggs cashed in early ready to spend like kings in a city built for pleasure And spend they do The rst few months are a blur of beachfront condos cold beers at dawn and the kind of attention they haven t had in decades In Pattaya they are reborn aunting wealth like it s innite slipping banknotes across bars and into hands that welcome them with practiced affection These are the Two Week Millionaires men who for a time forget that life isn t a holiday They buy the drinks the dinners the companionship They tip too much and care too little The city feeds off their excess a glittering machine designed to give them exactly what they want as long as they can pay for it But money is not as endless as the nights here Some learn this lesson too late The dream of a fresh start becomes a slow unraveling Bank accounts drain habits set in and the men who once strutted through Walking Street like emperors begin to fade into the background For some it ends in quiet ruin For others it s simply another chapter another reinvention Pattaya welcomes them all It never judges It never warns It just watches waiting for the next plane to land

*Historical Dictionary of Thailand* Gerald W. Fry, 2024-11-19 Throughout its history Siam and then later Thailand has shown remarkable resiliency adaptability and creativity in responding to serious threats and crises This augurs well for Thailand s capacity to deal with the serious problems described above and to flourish in the areas in which it has great potential and comparative advantage such as food exports kitchen of the world diverse genres of tourism health and wellness management creative design alternative energy sources great potential of solar energy and e vehicles regional transportation hub both rail and air export growth and diversification an attractive site for MICE and as an international education hub Thailand clearly has the potential to become one of the most distinct vibrant creative and diverse societies of the dynamic Asia Pacific region

*Historical Dictionary of Thailand* Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Thailand

*Ribald Tales* S. Lock, 2002-09-30 U tapao Thailand U T in the mid 60s newest and closest B 52 base to Vietnam Humorous tales of airmen at war while suffering a mild cultural shock From whorehouse to briefing room lover s bed to flying over Vietnam from the hot dusty base to steamy Bangkok they adapted without losing sight of the mission Irreverent slapstick and often poignant stories in a war with rules

*Short Stories of Bangkok & Beyond* , 1993

**The Fool is Back** Neil Hutchison, The study of human stupidity is not a new science but it certainly makes fascinating reading An interesting thing about the human race is that if there is a way to screw up someone will eventually stumble upon it Enter the fool By the author of the Pattaya best seller Money Number One and the updated Money Still Number One this the sequel to A Fool in Paradise adding a further 32 stories to the colourful tapestry that is Pattaya Thailand In the opinion of many people including the author Pattaya is the most wonderful place on the planet

As with A Fool in Paradise the stories are all true or based on true events A Brief History of Pattaya takes a lighthearted look at what the history books don't tell you whereas Miss Goodbar offers advice to foreign men on how to choose woo and cohabit with their Thai dream girl Boys at Play is the unofficial unauthorized and unholy account of one holiday of lifetime When you take six mischievous Aussie mates add ten days of unsupervised freedom and put them together in South East Asia's number one party town you get a true adventure of unbelievable proportions full of fun laughter love sex and tragedy Why tragedy Because none of them could ever speak about it except amongst themselves Apart from one photograph this remains the only record of their tale So pull up a chair take your shoes off and relax For your reading pleasure The Fool is Back     **A Fool in Paradise** Neil Hutchison, 2011-02 Following hot the heels of his best seller Money Number One Neil Hutchison continues his in depth investigation into the tourist playground of Pattaya This collection of short stories originally published individually under the pseudonym A Fool in Paradise form a collage of insights into the machinations of this fantastic city on the eastern seaboard of Thailand Anyone who has read Money Number One will enjoy this follow up book as it reinforces the conclusions drawn and advice presented in the former through the personal experiences of the author The tales are fast paced humorous well written and ALL TRUE Well almost Sir Winston Churchill quipped that Success consists of going from failure to failure without loss of enthusiasm If that is true then Neil is a success story because his love and enthusiasm for Pattaya and its people has not diminished over the years The highs lows ups downs laughter and tears portray a convincing analysis of the human condition As Neil says Pattaya is to a writer what a room full of fruit bowls is to an artist The last story Footprints in the Sand is a particularly poignant tale of just how the city can affect its visitors and guests even those who should know better Written with his heart firmly on his sleeve it proves that no matter how smart we think we are or how old we get we just never learn This tale is a must read for any foreign male contemplating a long term liaison with a Thai lady
