Landmark Cases in the Law of Restitution Charles Mitchell, Paul Mitchell, 2006-04-18 It is now well established that the law of unjust enrichment forms an important and distinctive part of the English law of obligations Restitutionary awards for unjust enrichment and for wrongdoing are clearly recognised for what they are But these are recent developments Before the last decade of the

twentieth century the very existence of a separate law of unjust enrichment was controversial its scope and content matters of dispute In this collection of essays a group of leading scholars look back and reappraise some of the landmark cases in the law of restitution They range from the early seventeenth century to the mid twentieth century and shed new light on some classic decisions Some argue that the importance of their case has been overstated others that it has been overlooked or misconceived All persuasively invite the reader to think again about some well known authorities The book is an essential resource for anyone scholar student or practitioner with an interest in this fascinating area of the law **Sample Surveys:**
