

NHANACE I Testing for the LPN to RN Completion Program Academic Year 2020-2021 (Updated 12/1/2020)

Students applying for the LPN to RN Completion Program at NHTI – Concordia Community College are required to complete the National's step 1 for Nursing (NLCN) Nursing: National Challenge Exam—Module 1. Foundations of Nursing exam (NACE I). This exam will be computer-based and proctored remotely by the NLCN.

Students are responsible for reviewing the NLCN Student Guide for the Plan, Testing 2021 and following the directions to create their NLCN Student Account.

Students will receive a minimum absolute score of 70 or higher on the computer-based assessment for the program.

The NACE I includes content related to nursing care to meet basic physiological and psychosocial needs. NACE I questions are written in the framework of the nursing process. This reflects the current approach for providing care to clients. The purposes of the NACE I, the steps of the nursing process are defined as follows:

1. **Assessing** – includes collecting physical, psychosocial and cultural data and interpreting signs, symptoms and behaviors.
2. **Assessing** – includes interpreting data, identifying client needs and making nursing diagnoses.
3. **Planning** – includes setting goals, selecting outcomes for care and identifying correct techniques for giving care.
4. **Implementing** – includes responding appropriately to client needs for nursing care and using effective communication when giving interventions and/or teaching.
5. **Evaluating** – includes recognizing intended and unintended effects of measures and treatments, determining evidence of client's compliance with treatment plans, and determining evidence of clinical progress to patient and treatment.

How to Register:

This exam will be administered on-line by the NLCN utilizing ProctorU, an internet based remote proctoring software. Examiners will be required to create a new NLCN Student Account and register for their NLCN NACE I exam with the NLCN directly.

The exam can be taken up to three (3) times per year. The examinee must wait a minimum of six (6) weeks between exam attempts. Examinees may select their exam exam date. However, it is the responsibility of the student to schedule their exam prior to the application deadline and following their center guidelines. Please note that exam scores will be valid for one (1) year only.

Examiners will use NHTI's unique [LINK](#) link to create your NLCN Student Account; this link is included on last page of this document. You (NLCN) use the actual link, as other user names will not be recognized by NHTI, which may result in students having to reenter and verify for the exam.
