Love Me in the Waiting Krystal Ribble,2021-04-13 For times when the world seems to be on pause Christian leader mentor and author Krystal Ribble pairs biblical stories with the current familiar waiting periods of our lives showing how we can be sure that God is with us while we wait Now more than ever Sit and Wait seems to be on everyone s agenda Weaving stories of waiting from familiar Bible characters *Love Me in the Waiting* helps readers to consider that the waiting times in life are always full of purpose even if they aren t seen or felt In *Love Me in the Waiting* readers will be encouraged as they wait learning how they can benefit from the timeless wisdom of those who waited

before us In doing so they can draw strength and comfort from these collected stories and know they re not alone in the waiting seasons A companion to the waiting you re sitting through right now or have experienced in the past Love Me in the Waiting takes readers through ten different biblical passages focused on Waiting for the Storm to Pass Waiting for New Life Waiting for Love Waiting for Reconciliation Waiting in the Wilderness Waiting for the Future Waiting for your Troubles to Pass Waiting for Deliverance Waiting on the World to Change Waiting for the Resurrection Here and Now These passages including the stories of Noah Sarah Jacob Joseph Moses David Job Daniel Habakkuk and Lazarus help anyone yearning for meaning to understand their seasons of waiting and answer questions like Why is the Lord taking so long to give me the ending He s promised What is He doing or teaching me while I m waiting How do I wait on a promise that I can t see How can I support my loved one who is in a season of waiting When your patience has worn thin or you re beginning to doubt God will be around for you take heart from the pages of scripture This book shows that modern experiences of waiting are similar in many ways to those who have come before and that we have more in common with our spiritual ancestors than we realize God will never waste a minute of your waiting and Love Me in the Waiting provides a reminder of that truth for us all

reach all the way down to Texas and 100 year storms that hit every few months it may seem that catastrophe is a done deal As grim as things are however we still have options Combining fiction and nonfiction and employing speculative tools for scholarly purposes Our Shared Storm explores not just one potential climate future but five possible outcomes dependent upon our actions today Written by speculative fiction writer and sustainability researcher Andrew Dana Hudson Our Shared Storm features five overlapping fictions to employ a futurist technique called scenarios thinking Rather than try to predict how history will unfold picking one out of many unpredictable and contingent branching paths it instead creates a set of futures that represent major trends or counterposed possibilities based on a set of climate modeling scenarios known as the Shared Socioeconomic Pathways SSPs The setting is the year 2054 during the Conference of the Parties global climate negotiations a k a The COP in Buenos Aires Argentina Each story features a common cast of characters but with events unfolding differently for them and human society in each alternate universe These five scenarios highlight the political economic and cultural possibilities of futures where investments in climate adaptation and mitigation promised today have been successfully completed kicked down the road or abandoned altogether From harrowing to hopeful these stories highlight the choices we must make to stabilize the planet Our Shared Storm is an experiment in deploying practice based research methods to explore the opportunities and challenges of using climate fiction to engage scientific and academic frameworks
