## Examination

The NEBDN examination is in two parts and you will need to pass Part 1 before you can take Part 2.

Part 1 is a written paper consisting of multiple choice questions (MCQs) and extended matching questions (EMQs). Part 2 is a practical examination consisting of a series of objective structured clinical examinations (OSCEs) which are arranged in cubicles around a large room. These clinical examinations are designed to simulate situations which you may commonly encounter in the workplace.

Once you have passed Part 2 of the examination you will be awarded the NEBDN National Diploma in Dental Nursing and you will be eligible to apply for registration with the General Dental Council as a qualified dental nurse.
