**No Man Left Behind** Patrick Morley, David Delk, Brett Clemmer, 2008-09-01 David Murrow's book *Why Men Hate Going to Church* has heightened awareness of an epidemic Patrick Morley offers the solution *No Man Left Behind* is the blueprint for growing a thriving men's ministry that has the power to rebuild the church as we know it pulling men off the couch and into active involvement as part of the body of Christ

**Church of God Evangel**, 2001 **Discipleship by Design** Harvey A. Herman, 2008-08-06 As Jesus walked beside the Sea of Galilee he saw Simon and his brother Andrew casting a net into the lake for they were fishermen Come follow me Jesus said and I will make you fishers of men The relationship between Jesus and these brothers started with the simple words Come follow me In essence a disciple of Jesus is a follower Eventually Jesus twelve followers will change the world However it is an inconspicuous and unremarkable beginning for an eventual team of world changers don't you think How will an assortment of unschooled ordinary men be transformed into courageous and substantive heralds in just three short years Transformation complete and deep seated transformation is the answer How does a total metamorphosis take place within a new follower Jesus discipleship begins with a personal relationship and an invitation to join a missional community Before followership is a program it is a leadership development process experienced within a culture This book seeks to initiate a dialogue on how to foster a culture of discipleship No program can fulfill The Great Commission However a community of believers committed to transforming the world through the process of disciple making can Harvey A Herman is a missionary serving university students Over the previous three decades he pioneered five campus groups pastored a university church in Seattle and served on the national staff of Chi Alpha Christian Fellowship Presently he serves as area director over the Northeast His doctorate is in strategic leadership and organizational management

**The Disciple**, 1981 **More Than a Fisherman** Jim Grassi, 2014-07-01 Spiritual mentoring or discipleship is a relational process that requires people to become actively involved in their faith Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christlike attitudes and behavior in the context of relational environments It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution In *More Than a Fisherman* Dr Jim Grassi provides guidance for

men who desire to mentor others or to be mentored using Jesus and the twelve disciples as a model Designed to be used as a companion to The Spiritual Mentor and Building a Ministry of Spiritual Mentoring this manual is for use during times of mentoring and suggests types of exercises and activities two men can do together Features include Fishing theme including information on how the disciples fished Archaeological facts with illustrations and photographs of fishing artifacts Activity suggestions for mentoring sessions

**Building a Ministry of Spiritual Mentoring** Jim Grassi, 2014-04-01 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today s vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to men and the struggles they face today Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Men are desperate for meaningful relationships both with God and other men Building a Ministry of Spiritual Mentoring will help churches and ministry leaders create dynamic environments for men to experience real transformation and develop authentic Christian relationships This proven method will assist your church or group in effectively developing and deploying a ministry of spiritual mentoring Features include Metaphors anecdotes and practical applications Proven tools for developing a ministry around spiritual mentoring Discussion questions

*Crossing the Discipleship Chasm* Matt Lake, 2024-09-10 When the road ahead seems too challenging for a conventional approach staying put is not an option This may feel like the reality of today s ministry landscape Helping others follow Jesus is no longer straightforward the path often seems blocked by cultural obstacles But we cannot stay where we are What s needed is a higher way a path that rises above the challenges strong enough to support your journey yet flexible enough to adapt to the changing terrain In *Crossing the Discipleship Chasm* pastor and consultant Matt Lake draws from deep experience in ministry to introduce a transformative approach that revives the original mission of the church adaptive discipleship Grounded in thorough research and tested relationships his method offers a way forward Too often local churches in their anxiety jump to quick programmatic solutions to address the lack of discipleship happening in their settings However jumping to a solution that ignores the context and deeper issues of the problem only leads to surface level technical responses It will never work in the long run His solution How to apply an adaptive approach to the issue of discipleship through a series of life giving tensions If you re ready to bridge the gaps in your ministry you need both a reliable path and a wise guide With Lake s direction discover the confidence and courage to lead others on the journey toward life
