EXCERPT FROM BOOK Inya had just settled back in her seat when an open air Jeep coated in red dirt came wheeling up alongside her taxi The occupants fashionably grimed were transfixed on the tour guide s commentary Inya slid a little lower in her seat and listened I don t place a lot of confidence in the vortex theory he said If say you define a vortex as a place where nature is exceptionally alive and healthy then Sedona actually has far more than four He smiled at his occupants and Inya sank even lower in her seat Damn she thought Where has he been hiding That hunk of a guy was no doubt the most requested Working his ass off that s where he s been His sleek black hair hung free about his shoulders As he continued to talk he casually fished a rubber band out of the Hummer s console and tied it back showing a prominent jawline and imploring dark eyes that could melt even the most jaundiced of souls Though Inya was five eight a typical height for the longer and more muscular Yavapai women she could see that he would easily clear her by six inches His body reminded her of some of the squash competitors she d known at Coconino Community College muscular thighs and full shoulders built for speed and endurance I wouldn t analyze too much about what you feel or don t feel out there he went on We know that Sedona was once underwater which creates much of the beauty you see around you Everywhere At that opportune moment he glanced over at the taxi

black eyes riveting on Inya She pulled her baseball cap s bill down over her eyes rolled up her window a few inches and pretended to be napping Under the shade of her ball cap s bill she sensed the passengers disembarking and making their way across the highway toward Blue Moon Cafe By her cell phone clock he had less than five minutes before his next tour
