A Guide to Church Discipline J. Carl Laney, 2010-03-01 Fears of disunity conflict and even legal problems have caused many church leaders to avoid confronting Christians who are living in sin Challenging the church's reluctance Dr Laney provides a biblical practical and loving handbook for pastors and lay leaders alike on church discipline The United States Catalog ,1925 **Travellers' Official Railway Guide** William Frederick Allen, Edwin Stevens Allen, Andrew J. That His Spirit May Be Saved Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulosity However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith *Love that Rescues* Eric J. Bargerhuff, 2010-02-01 In an age where church discipline has fallen out of favor in the context of many churches Eric Bargerhuff calls the church to a deeper understanding of its nature and purpose as an expression of God's fatherly love towards his people As a biblically mandated activity instituted by Christ himself in Matthew 18 church discipline is an essential practice of any faithful church that is committed to sharing the Gospel and making disciples Tackling some of the false notions and assumptions surrounding church discipline Bargerhuff sets forth a historical biblical theological and practical position that centers its identity and purpose on a proper understanding of the cross of Christ Since the punitive wrath of God was poured out for sin on the cross of Jesus Christ a penal substitutionary atonement it is therefore necessary to reject the notion that church discipline is punishment but rather it should be seen as God's hand of forgiveness and grace extended for the purpose of restoring reconciling and rescuing one of his own a sheep that has gone astray It is to be regarded as God's love in the actions of a forgiven and forgiving community The Sportsman's Handbook Houston
