Microsoft Certified: Dynamics 365 Fundamentals (ERP) MB-920 Exam Study Guide Anand Vemula, The MB 920 exam is designed to test your understanding of core ERP concepts and how

Microsoft Dynamics 365 integrates with various business functions. The exam covers modules such as Finance, Supply Chain Management, Commerce, Human Resources, Project Operations, and Business Central. It examines the capabilities of these modules in streamlining processes like financial management, inventory control, procurement, human resources, and project lifecycle management. Key areas include managing core financial operations such as general ledger, accounts payable, receivable, budgeting, and forecasting. It also covers Supply Chain Management functions like product information management, inventory, and procurement while diving into the Commerce module for e-commerce, point of sale, and fraud protection. Human Resources focuses on employee management, compensation, and absence tracking, while Project Operations emphasizes resource scheduling, project accounting, and invoicing. The Business Central module is particularly focused on the needs of small to medium-sized businesses, providing a comprehensive financial and operational management solution. Additionally, the integration of Dynamics 365 with the Power Platform and Microsoft 365 is crucial for enhancing automation, collaboration, and data analysis across all modules. This study guide provides in-depth insights into these functionalities, helping candidates prepare for the MB 920 exam by mastering key features of Dynamics 365 ERP solutions and how they contribute to efficient business operations.
