Prisoners of War in the Hundred Years War Rémy Ambühl,2013-01-17 The status of prisoners of war was firmly rooted in the practice of ransoming in the Middle Ages By the opening stages of the Hundred Years War ransoming had become widespread among the knightly community and the crown had already begun to exercise tighter control over the practice of war This led to tensions between public and private interests over ransoms and prisoners of war Historians have long emphasised the significance of the French and English crowns interference in the issue of prisoners of war but this original and stimulating study questions whether they have been too influenced by the state centred nature of most surviving sources Based on extensive archival research this book tests customs laws and theory against the individual experiences of captors and prisoners during the Hundred Years War to evoke their world in all its complexity
