Handbook of Christian Prophetism in Africa, 2025-08-14 More than half a century has passed since the first monographs on African Christian prophetism were published The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing sometimes even to the neglect of the use of bio medical resources The developments have been interrogated in religious studies theology and the sociology and psychology of religion showing how important these churches have been in the African public sphere **Preach It!** Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching Preach It encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches Preach It reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts **Culture and Customs of Nigeria** Toyin Falola, 2001 Students and other interested readers will learn about all major aspects of Nigerian culture and customs including the land peoples and brief historical overview religion and world view literature and media art and architecture housing cuisine and traditional dress gender marriage and family social customs and lifestyles and music and dance **Politics and Identity Formation in Southeastern Nigeria** Apollos O. Nwauwa, Ogechi E. Anyanwu, 2019-05-20 Scholarly studies on the Igbo have been scant and fragmented Politics and Identity Formation in Southeastern Nigeria The Igbo in Perspective fills an obvious gap exploring the social cultural economic political and aesthetic traditions that distinguish the Igbo of southeastern Nigeria from their neighbors In scope content and analysis this book is both multi and cross disciplinary focusing on the experiences and forces that have shaped the Igbo society identity formation and sociocultural political and aesthetic representations Themes such as the importance of Igbo names in understanding the people's social linguistic religious gender and cultural identities as well as the intersection of language politics socialization education and aesthetic expression in the Igbo experience in Nigeria are interrogated in a refreshing fashion with an appreciable level of originality Graphic Showbiz Nanabanyin Dadson, 2005-11-03 **Music in the Life of the African Church** Roberta Rose King, Jean Ngoya Kidula, James R. Krabill, Thomas Oduro, 2008 Furthermore they extract useful lessons for fostering faith communities around the globe The Spirit of Python Jentezen Franklin, 2013-09-03 Break free from this subtle destroyer and reclaim a life of passion and purpose Pythons have an interesting way of killing their prey They constrict it until it can no longer breathe literally suffocating the life out of it In the

spirit realm Satan often works in the same way slowly slithering his way into our lives attempting to choke the very life out of us The python spirit can squeeze the joy out of your worship and prayers It can pressure you to keep quiet when God wants you to speak up And it can steal the peace of knowing that you belong to God But there is a way to defeat him You don t have to become his prey The Spirit of Python helps you understand the strategies of this subtle destroyer how he works how to detect him and how to break his hold from your life You can learn to Recognize the early warning signs that you are under attack Find the ways you may have unknowingly given him access into your home Bring God s deliverance and restoration into every area of your life We are in the middle of an unseen spiritual war God wants to break the coils of the serpent off of your life He wants to help you breathe again
