Workbook Companion to Instinct: The Power to Unleash Your Inborn Drive T. D. Jakes, 2014-05-01 **Force for Good** Craig Wilkinson, 2025-11-01 Force for Good is a bold and refreshingly balanced exploration of positive masculinity written to inspire men to become powerful forces for good in a world that desperately needs them to step into this role The book challenges the extremes that often define the discourse around masculinity aggressive dominance on one side and passive disengagement on the other It offers a vision of true and healthy masculinity that is both strong and gentle fierce and safe confident and humble At its core is the conviction that men are made to be powerful forces but only in service of what is good Power often misunderstood or negatively viewed is essential Without it a man cannot fulfil his potential or meet the needs of those who depend on him Power itself is neutral how it is used determines whether it becomes a force for good or

harm The book is divided into three parts Being Man Becoming a Force and Doing Good and builds a compelling case for the value of healthy masculinity It explores the internal and external battles men face the journey from boyhood to manhood and the sacred responsibility to grow in strength and purpose Force for Good calls men to action not against others but for the good of others It is a timely courageous invitation to be all that a man was made to be because such a man will be a Force for Good

The Believer's Manual for Excellence Patrick Payne Okoronkwo,2019-08-02 Knowing and working with God is not a sprint It is a marathon with very many dangerous twists and turns craggy and crooked at that It is getting progressively unpopular to be identified as a Christian in our present day world with its attendant challenges and extraordinary indulgences Real and valid questions are constantly agitating the minds of many right from the crises of development to the decadence of aging and dying This book is essentially a critical look at man as per who he is and his never ending search for connection with his maker It sees God as triune and also treats the trinity of man that is spirit soul and body and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God with brothers at the workplace in married life social events and many more The Believer s Manual is an attempt to critically look at the believer in terms of his coming to the understanding that he needs his maker in every area of his life It starts with getting to know his god his plans and purpose for him divine leading and direction etc It does a synopsis of temperaments and how God can use man no matter his temperament The indwelling Holy Spirit makes the difference
