WORLD THROUGH ENGLISH Noni Mia Rahmawati, The World through English is an English textbook for primary students
 The objectives of developing the book is not only to help your students to learn English but also to introduce them to some
 cultural and social differences of the world societies Both you and your students can find written and audio texts that display

several different cultures from different parts of the world such as from Ireland the USA South Korea China Japan Caribbean Islands African Continent as well as from Indonesia The goal of presenting such texts is to indirectly help the students to be aware of and to accept such cultural and social differences so that they can grow their sense of being tolerant to others The book is designed based on Kurikulum 2013 There are six units in this book which are arranged based on the competencies of Kurikulum 2013 and the level of difficulty of the language skills and components attached to each theme in each unit Each unit is equipped with two reading texts and an audio text that have suitable exercises to accompany the texts Explanations about tenses and sentence structures are also provided with abundant examples for the students which are arranged based on their suitability to the theme of each unit and their level of difficulty The written and audio texts as well as the exercises provide opportunities for the students to enrich their knowledge and to develop all of their four language skills that are reading writing listening and speaking Teachers can still explore the materials given in the book by offering self developed activities to match their students proficiencies and learning situations
