SECTION - A

1. (A) The Companies (Cost Accounting Records) Rules 2011 have not prescribed any specific formats for the cost statements. In what manner and format would the cost statements be kept under these Rules? (Taken from FAQ 1)

Answer:

As per sub rule (2) of Rule 4, the companies are required to maintain cost records on regular basis in such manner so as to make it possible to calculate per unit cost of production or cost of operations, cost of sales and margin for each of its products and activities for every financial year on monthly/quarterly/half-yearly/annual basis. The cost statements are to be prepared for every unit and every product produced, processed, manufactured or mined.

As per sub rule (3), the cost records are to be maintained in accordance with the generally accepted cost accounting principles and cost accounting standards issued by the Institute, to the extent these are found to be relevant and applicable.

These Rules have not prescribed any specific formats for the cost statement. A guidance note on the subject is under preparation by the Institute of Cost Accountants of India (ICAI), inter alia, containing model formats for cost records, statements, schedules etc.

Answer:

As per Rule 2(p), "Turnover" means gross turnover made by the company from the sale or supply of all products or services during the financial year. It includes any turnover from job work or loan license operations but does not include any non-operational income.

The term "Turnover" defined in the Companies (Cost Accounting Records) Rules, 2011 shall exclude taxes & duties. It shall have the same meaning, wherever it appears, in all other orders/rules issued in connection with the cost accounting records and cost audit.
