

Rhetorical Analysis Of The Plastic Pink Flamingo: A Natural History

With a sarcastic tone, writer Jennifer Price describes the relationship between the notorious pink flamingo and common culture in an effort to highlight the materialism of Americans during the 1950's.

Price immediately exhibits her sarcastic tone with the title of her essay "The Plastic Pink Flamingo: A Natural History." This is rather ironic, as she portrays a piece of cheap, pink plastic as something that has sculpted our society in a monumental way. To most educated readers, this would seem bizarre, which is the writer's goal: for the reader to fully grasp how unfitting it is to have this cheap piece of plastic as a social icon. In conjunction with the previous idea, Price begins her essay with bold diction by emphasizing how tourists are often "flocking" to Florida and departing with new flamingo souvenirs. As a result, the flamingo became "synonymous with wealth." The author illustrates, in this case, how the flamingo is now the "face" of Florida, now being used as something for Floridians to make a profit from. Price continues with her use of irony and sarcastic tone, specifically when discussing the two differing ideas that are separated by the short sentence, "But no matter." Prior to this statement, Price acknowledges how flamingos were previously looked down upon and almost hunted to the brink of their extinction. However, following this short sentence, Price highlights the popularity that the flamingo gained during the 1950s. These two ideas contradict each other, clearly, which further manifests the idea that Americans now "worshipping" this molded piece of plastic is undoubtedly ironic.

Handbook of Rhetorical Analysis John Franklin Genung, 1889 *Handbook of Rhetorical Analysis* John Franklin Genung, 1902 Handbook of rhetorical analysis John Franklin Genung, 1890 Handbook of Rhetorical Analysis John Franklin Genung, 1888 Rhetorical Analysis for Thoughtful Response Rebecca Candace Epps-Robertson, 2003

Handbook of Rhetorical Analysis John F. Genung, 2015-07-09 Excerpt from *Handbook of Rhetorical Analysis* Studies in Style and Designed Invention Designed to Accompany the Author's Practical Elements of Rhetoric The selections that make up this Handbook while fairly representative so far as they go of the authors from whose works they are taken are not to be regarded as introductions to the authors as such still less as studies in the history and development of English prose literature They are simply as the title indicates extracts to be analyzed in style and structure for the purpose of forming from actual examples some intelligent conception of what the making of good literature involves taken from the best writers because it is safer to study models of excellence than examples of error taken from several writers because it is not wise to make an exclusive model of any one author's work however excellent and taken for the most part from recent writers not because these are better than writers of earlier time but because they are more likely to illustrate the usages practically needed in this century I think as far as my observation has gone says Mr John Morley that men will do better for reaching precision by studying carefully and with an open mind and a vigilant eye the great models of writing than by excessive practice of writing on their own account In a general way such testimony as this to the value of the study of literary models is universal Biographies of authors are full of it reports gleaned from every available source of books which have influenced me and accounts of the great literary works which have been at eminent writers' elbows constant companions and inspirers are eagerly read and treasured for their helpfulness to workers who aspire to like eminence But while the question of the what is so copiously answered the question of the how remains for the most part unapproached About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Rhetorical Analysis* Mark Garrett Longaker, Jeffrey Walker, 2011 *Rhetorical Analysis A Brief Guide for Writers* walk students through the process for doing different kinds of analyses argument analysis structure analysis style analysis and more Shows how to analyze a range of texts print visual and multimedia Includes authors own analyses as models for students as well as 4 complete student model papers Introduces students to rhetorical concepts both classical and modern that are relevant to rhetorical analysis Handbook of Rhetorical Analysis; Studies in Style and Invention. Designed to Accompany the Author's

Practical Elements of Rhetoric John Franklin Genung, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1889 edition. Excerpt: JOHN BUNYAN Christian's Fight With Apollyon The style of Bunyan is delightful to every reader and invaluable as a study to every person who wishes to obtain a wide command over the English language. The vocabulary is the vocabulary of the common people. There is not an expression if we except a few technical terms of theology which would puzzle the rudest peasant. We have observed several pages which do not contain a single word of more than two syllables. Yet no writer has said more exactly what he meant to say. For magnificence for pathos for vehement exhortation for subtle disquisition for every purpose of the poet the orator and the divine this homely dialect the dialect of plain working men was perfectly sufficient. There is no book in our literature on which we would so readily stake the fame of the old unpolluted English language no book which shows so well how rich that language is in its own proper wealth and how little it has been improved by all that it has borrowed. Macaulay But now in this Valley of Humiliation poor Christian was hard put to it for he had gone but a little way before. This Selection and the one following are studied for the manner in which they illustrate Choice of Words and presuppose a knowledge of the Rhetoric as far as page 48. To aid in estimating how the style of this extract accords with its purpose bear the following facts in mind: 1 It is a simple narrative written by an unlearned man for plain common people. 2 The diction takes its coloring from the book in which Bunyan was most deeply read the Bible. 3 The Pilgrim's Progress from which this selection is taken is an allegory. see Rhetoric p. 94 from which fact we naturally look to see many words and turns of *Handbook of Rhetorical Analysis. Studies in Style and Invention. Designed to Accompany the Author's Practical Elements of Rhetoric* John F. Genung, 2017-10-04 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally Trieste books are purchased singly on demand; however, they may also be purchased in
