The Ancient Giants Who Ruled America Richard J. Dewhurst, 2013-12-17 A study of the substantial evidence for a former race of giants in North America and its 150 year suppression by the Smithsonian Institution Shows how thousands of giant skeletons have been found particularly in the Mississippi Valley as well as the ruins of the giants cities Explores 400 years of giant finds including newspaper articles first person accounts state historical records and illustrated field reports Reveals the Stonehenge era megalithic burial complex on Catalina Island with over 4 000 giant skeletons including kings more than 9 feet tall Includes more than 100 rare photographs and illustrations of the lost evidence Drawing on 400 years of newspaper articles and photos first person accounts state historical records and illustrated field reports Richard J Dewhurst reveals not only that North America was once ruled by an advanced race of giants but also that the Smithsonian has been actively suppressing the physical evidence for nearly 150 years He shows how thousands of giant skeletons have been unearthed at Mound Builder sites across the continent only to disappear from the historical record He examines other concealed giant discoveries such as the giant mummies found in Spirit Cave Nevada wrapped in fine textiles and dating to 8000 BCE the hundreds of red haired bog mummies found at sinkhole cenotes on the west coast of Florida and dating to 7500 BCE and the ruins of the giants cities with populations in excess of 100 000 in Arizona Oklahoma Alabama and Louisiana Dewhurst shows how this suppression began shortly after the Civil War and transformed into an outright cover up in 1879 when Major John Wesley Powell was appointed Smithsonian director launching a strict pro evolution pro Manifest Destiny agenda He also reveals the 1920s discovery on Catalina Island of a megalithic burial complex with 6 000 years of continuous burials and over 4 000 skeletons including a succession of kings and queens some more than 9 feet tall the evidence for which is hidden in the restricted access evidence rooms at the Smithsonian *Reports of Cases Argued and Determined in the Supreme Judicial Court of the Commonwealth of Massachusetts* Massachusetts. Mysterious South Carolina Sherman Carmichael , 2019 Master storyteller Sherman Carmichael is back with another collection of the weird strange and mysterious in the Palmetto State Read about the return of the infamous Lizard Man Learn why the ghost of Francis Marion regularly appears at a church cemetery for a rendezvous Discover the Sea Pines Shell Ring and learn of its Native American origin Walk the halls of the old South Carolina Lunatic Asylum and hear the moans of former patients Join Carmichael as he contemplates these stories and many more from the dark side of South Carolina The Rapture 2028: America's Countdown to Apocalypse! David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that

were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14

The Battle over America's Origin Story Brian Regal, 2022-05-06 This book examines the legends of who really discovered America It argues that histories of America's origins were always based less on empirical evidence and more on social political and cultural wish fulfillment Influenced by a complex interplay of Nativist hatred of immigrants and Aboriginal people as well as distrust of academic scholarship these legends ebbed and flowed with changing conditions in wider American society The book focuses on the actions of a collection of quirky obsessed amateur investigators who spent their lives trying to prove their various theories by promoting Welsh

princes Vikings Chinese admirals Neo lithic Europeans African explorers and others who they say arrived centuries before Columbus These myths acted as mitigating agencies for those who embraced them Along with recent scholarship this book makes extensive use of archival materials some of which have never been employed before It covers the period from the sixteenth century to the present It brings together separate historiographic ideas to create a unified history rather than focusing on one particular legend as most books on the subject do It shows how questions of who discovered America helped create the field of historical scholarship in this country This book does not attempt to prove who discovered America rather it tells the story of those who think they did Register of Commissioned and Warrant Officers of the United States Naval Reserve ,1949 *Oxygen Transport to Tissue XXV* Maureen S. reveals how the powerful Rothschild banking family and the Central Banking System now known as the Federal Reserve Bank provide a continuous thread of connection between the War of 1812 the Civil War the financial crises of the 1800s and assassination attempts on Presidents Jackson and Lincoln The author reveals how the War of 1812 began after Congress failed to renew a 20 year charter for the Central Bank After the war the ensuing debt forced Congress to grant the central banking scheme another 20 year charter The author explains how this spurred General Andrew Jackson fed up with the central bank system and Nathan Rothschild s control of Congress to enter politics and become president in 1828 Citing the financial crises engineered by the banks Jackson spent his first term weeding out Rothschild agents from the government After being re elected to a 2nd term with the slogan Jackson and No Bank he became the only president to ever pay off the national debt When the Central Bank s charter came up for renewal in 1836 he successfully rallied Congress to vote against it The author explains how after failing to regain their power politically the Rothschilds plunged the country into Civil War He shows how Lincoln created a system allowing the U S to furnish its own money without need for a Central Bank and how this led to his assassination by a Rothschild agent With Lincoln out of the picture the Rothschilds were able to wipe out his prosperous monetary system which plunged the country into high unemployment and recession and laid the foundation for the later formation of the Federal Reserve Bank a banking scheme still in place in America today
