

- **According to Encyclopedia of Management:** “It refers to the degree of readiness of an organism to pursue some designated goals and implies the determination of the nature and locus of forces inducing the degree of readiness.”
- **According to Ricky W. Griffin** “Motivation is the set of forces that causes people to behave in certain ways.”
- **So we can say that,** motivation is a process involving a few steps. Motivation process begins with needs or a deficiency. People have needs although number of needs is limited. Needs are essential for survival. An unfulfilled or unsatisfied internal need creates tension that stimulates the individual to take initiative.
