

T2x Wireless Remote Control

Reference Guide

The rechargeable T2x is the first generation of RTI's universal TV remote control platform. The 2.4" color display features vivid screen graphics, including two-way feedback with channel up, along the period indicated of sub-titles, volume control, and screen's content mode.

Key Features

- Dual 32+ channel color (1000) and 3+ color-coding (Signal) technology.
- Supports 100+ channels (Screen)
- Two-way feedback (with channel up) with sub-titles and subtitles.
- Dual screen, slide-on/off technology.
- Programmable and screen-free (no screen) mode (on/off)
- Rechargeable (recharge indicator on screen)

Service & Support

If you are encountering any problems or have a question about your RTI product, please contact RTI Technical Support for assistance (see the Extensive list of email for contact details).

RTI provides technical support by telephone or e-mail, for the highest quality service, please leave the following information ready or provide it in your e-mail:

1. Your Name
2. Company Name
3. Telephone Number
4. Email Address
5. Product model and serial number (if applicable)

If you are having a problem with hardware, please include the equipment in your system, a description of the problem, and any troubleshooting you have already tried.

If you are having a problem with software, please state what version you have installed, the operating system on your PC, a description of the problem, and any troubleshooting you have already tried. If you are calling about a software or equipment problem or problem, please do so with computer, video and phone (if you can). We will make every effort to solve your problem quickly.

"Please do not return products to RTI without return authorization."

Federal Communications Commission Notice

This equipment has been tested and found to comply with the Federal's Class B digital device, pursuant to part 15 of the FCC Rules. These devices are designed to provide reasonable protection against harmful interference to permitted operations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this device.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received including interference that may cause undesired operation.

Industry Canada Compliance Statement

This device complies with Industry Canada license-exempt RSS (Standard) Specification subject to the following conditions:

1. This device may not cause harmful interference.
 2. This device must accept any interference received including interference that may cause undesired operation.
- For operation, compliance with Industry Canada requires the license-exempt RSS (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (20), (21),
