The Official Guide to Collecting Handguns 1985. House of Collectibles, 1980-01-02. [The Handgun Guide for Women](#). Tara Dixon Engel, 2015-09-10. The perfect book for any woman who is interested in purchasing, selecting, and owning a gun from her first to her five hundredth firearm. The Handgun Guide for Women gives a public voice to the legions of female gun enthusiasts in the United States. It is a common sense step-by-step guide to making the decision to purchase a gun, selecting the correct gun, securely keeping a gun in the home, and maintaining the proficiency necessary to be a safe gun owner 100 percent of the time. The book also defies the theory among the popular media that women are by their maternal nature anti-gun. Author Tara Dixon Engel, an NRA certified instructor in handguns, rifles, shotguns, personal defense, and home defense, writes that women should be gun advocates. A firearm is often the one thing that stands between your family and a predator. The Handgun Guide for Women reflects a passionate belief in the Second Amendment. It is a straightforward and

meticulously clear representation of the responsibilities involved in gun ownership and is the perfect book for anyone who is considering owning a gun or who has been a proud gun owner for many years *Shooter's Bible, 110th Edition* Graham Moore, 2018-10-02 Published annually for more than eighty years the Shooter's Bible is the most comprehensive and sought after reference guide for new firearms and their specifications as well as for thousands of guns that have been in production and are currently on the market Nearly every firearms manufacturer in the world is included in this renowned compendium The 110th edition also contains new and existing product sections on ammunition optics and accessories along with updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading With a timely feature on the newest products on the market and complete with color and black and white photographs featuring various makes and models of firearms and equipment the Shooter's Bible is an essential authority for any beginner or experienced hunter firearm collector or gun enthusiast **American Guardian**, 1998 **The American West**, 1985
