Julius A. Von Poseck, 2015-04-11 1890 40 At all times it has been a well known stratagem of the enemy when he cannot prevent the promulgation of divine truth to advance some portion of it at the expense and to the neglect of other much higher and more blessed truths in order to confine the attention of believers to such as are of secondary import however precious they may be in themselves and to keep out of sight or at least in the background truths of primary and deepest importance What more precious portion of divine truth than the gospel And what more blessed service than that of the evangelist Paul the apostle of the gospel and of the church writes that he is not ashamed of the gospel for it is the power of God unto salvation to every one that believeth to the Jew first and also to the Greek But the same apostle writes If ye have heard of the dispensation of the grace of God which is given me to you ward how that by revelation he made known unto me the mystery which in other ages was not made known unto the sons of men as it is now revealed unto his holy apostles and prophets by the Spirit that the Gentiles should be fellow heirs and of the same body and partakers of his promise in Christ by the gospel whereof I was made a minister etc The gospel then as we learn from the apostle is the means for forming the church which is the body of Christ composed of Jews and Gentiles The same apostle calls himself minister of the gospel and minister of the church Col i 23 25 The gospel is to the church what the recruiting officer is to the army The army could not subsist without the recruiting officer Without him it would soon die out Neither can the church do without the evangelist The gospel then is the means of founding the church and the evangelist is a minister or servant of the gospel and of the church as we learn from the apostle Eph iv 11 12 for the perfecting of the saints for the work of the ministry for the edifying of the body of Christ Now it is beyond dispute that that which is merely instrumental however blessedly instrumental cannot hold the same place of importance as that for which it is instrumental We know from God s own word through His apostle of the gospel of the church that next to Christ there is nothing so near and dear to God as His church the body of Christ and the habitation of God in the Spirit Christ and the church form the very centre of the counsels of God What a sad thing then to assign a secondary or subordinate place to that which in God s sight is of primary importance There is joy indeed before God and His angels over one sinner that repenteth The heavenly joy does not wait until the sinner finds joy and peace in believing But the divine joy of Him Who knows the end from the beginning begins as soon as His divine work in the sinner s soul begins in repentance toward God Wondrous indeed yet but natural to those unenvious blessed angelic ministers of God s good pleasure were those heavenly acclamations on the night of our Saviour s nativity which accompanied the first proclamation of the good tidings of great joy **The Evangelical Parallel New Testament** John R. Kohlenberger (III), 2003 The Evangelical Parallel New Testament features the New Testaments of eight translations that are used by various segments within the

American evangelical community today It includes the recently published English Standard Version Holman Christian Standard Version The Message the New Living Translation and Today s New International Version The EPNT shows the translation philosophies and word choices made by diverse groups of evangelical scholars in the last three decades of the Twentieth Century

Report of the Solicitor of the Treasury, 1849 **The book of the thousand nights and one night, rendered from the Arabian nights**, 1929 **A Commentary on the Holy Bible: Commentary on the Old Testament** Bp. Thomas Coke, 1803 **I Must Tell Jesus** Dr. Lloyd G Fennell, 2011-12-27 Jesus said in John 10 11 The thief cometh not but for to steal and to kill and to destroy I am come that they might have life and that they might have it more abundantly I am the good shepherd the good shepherd giveth his life for his sheep He came to give us freedom from fear debt sickness poverty homelessness unemployment and anything that may prevents us from walking in the light of Gods Word Now whether you are a Sunday Church folk a new believer or a longtime Christian who wants to read the message of faith I Must Tell Jesus will prove to you that no one has ever spoke the way that Jesus did The Story of Jesus must be shared with every person on the face of the earth in order that each individual may have the opportunity to come to believe and follow Jesus Christ tells us as He told His disciples you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 In order to fulfill Christs command I Must Tell Jesus is written as a tribute to my family and the family of God Thank You

Expository Notes, with Practical Observations, on the New Testament ... Wherein the Sacred Text is at Large Recited, the Sense Explained, and the Instructive Example of the Blessed Jesus and His Holy Apostles to Our Imitation Recommended ... William Burkitt, 1844 [Commentary on Isaiah](#) John Calvin, 2012-11-30 This is the full commentary on Isaiah 1 66 For hundreds of years John Calvin s Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit s words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy

Sacred Modernity Lorenzo Grieco, 2025-09-30 This book examines mid 20th century Anglican church architecture in Britain from the 1935 to the 1975 exploring how it was shaped by liturgical changes social shifts and artistic influences It investigates the

theoretical foundations of modern Anglican church design and the contributions of various denominations to shared worship spaces. Amidst the rise of research groups, publications, and photographic documentation, the book highlights the subject's significance in this period. Inspired by the liturgical reformation within the Church of England, it analyzes churches in their urban contexts and the communities they served, revealing the complex interplay between architects, engineers, artists, local authorities, and clergy. The book also addresses post-war church reconstruction, the adaptation of existing buildings, and the integration of new construction technologies. It explores how churches accommodated secular functions alongside sacred spaces to reduce maintenance costs and foster communal identity. As secularization grew, particularly affecting the Church of England, it also considers the transformation of redundant churches into secular venues. Adopting a cross-disciplinary approach, the book situates Anglican church architecture within broader religious, urban, and social contexts, offering a comprehensive perspective for scholars and practitioners alike.
