

Dear Madam

Today is "World Teacher Day". Please take my heartiest greeting in this day. In this "Teacher Day" I want to tell you gratefully that now what I am is just because of you and it's not only my confession it's a inward massage from my heart. Please take respectable thanks and it will bless me.

Still remember the day when I saw you first time in my O level class and frankly saying that I didn't like you that time. All the time I tried to cast out you in a shameful circumstance because you are not my favorite person. You never annoyed by my behavior. But one day I was insulted by you because I don't prepare my lesson. Now I realize that if you don't jeer me at that time I could never change. You are not only teacher but also architect of my life. You help me in any crisis moment. Sometimes I got you as a real friend, sometimes as parents and all times you help me as a well wisher.

Beside study you taught me how to prosper in life, how to achieve goal, how to conquest in defeat, how to transgression in danger, how to overcome any struggle of life. You taught me don't be defeated by any problem. You are such person in my life who is sharer all of my sorrow and I know I never requite your noble deed.

Thank you mam for make me real human being.

With gratitude
Name of student
