Samson's Gift:

Abbot Samson, 1914 **Samson, the Nazarite** Roderick Levi Evans, 2010-11-07 In this book we will explore the life of Samson the Nazarite Samson was known as God's strong man He possessed great physical strength through the Spirit of the Lord He judged Israel for twenty years However his life and ministry ended early due to personal character flaws Believers can learn from his mistakes and emulate his successes **The Story of Samson** Paul Carus, 1907 Traveling Companion Art DeArmond, 2011-05-09 A Pirate Monk tells stories of his journey and suggests questions for readers to consider as they pursue a safe place to be both honest and known Art is a grizzled veteran of the Samson Society a man with a fund of wisdom to impart and plenty of stories to tell I'm sure you will find his company delightful as you make your way through this book which is Art's latest gift to his brothers Nate Larkin from the Foreword *Samson* James L. Crenshaw, 1978 **A Poem from the Bible. Samson** Samson (Judge of Israel.), 1871 **Samson Xfile** Ruthven Roy, 2014-10-10 His father and mother did not know that this was from the Lord for he was seeking a pretext to act against the Philistines Judges 14:4 NRSV It is most alarming that this ignorance was not only the misfortune of Samson's parents and his people Israel but it is also reflected in the Christian tradition This tradition has perpetuated an incorrect promiscuous view of this hero of faith by failing to consider the gracious outworking of God's peculiar providence and sovereign will Truly this unconventional masterpiece is filled with surprising truth packages that prompt faith and bring fresh hope to life In this volume Dr Roy takes you into a very intriguing journey through the window of this X file Judges 14:4 to unveil the wonderful workings of God's mysterious purpose in the life of his childhood hero Samson You will be greatly amazed as he was when you come face to face with yourself in the life of Samson There you will discover that God's guiding providence is able to work out and through all situations the Xfile in your life for your present and eternal good and His glory Samson Pnina Galpaz-Feller, 2006 The story of Samson in the Bible is told in just four chapters of the Book of Judges but the story of his life is composed of a mosaic of events This book examines many aspects of the unique figure of Samson Samson as the chosen of God who is destined to save the Israelites from Philistine oppression and who ultimately dies with the Philistines Samson who appears on the stage of history as a promising leader but whose leadership fails Samson the dissolute Nazirite a powerful man who rips apart a lion as though it were a lamb who uproots the gates of the city of Gaza and pulls down a pagan temple but at the same time he succumbs to his women and is ruled by them This book invites the reader to contemplate Samson's highly contradictory personality to take up moral issues and to reflect upon love and betrayal life and death family and society subjects that have concerned people from antiquity to the present **Samson!** Andy Braun, 2021-05 Experience the story of Samson as he uses his strength used to serve the Lord and protect his people This story loved by so many is re-told in rhyme and song by Andy Braun member of Branches Band The song originated on Branches Band's first children's album from 2014 Let the Children Come to Me Both characters and scenes for this story are captivantly illustrated by Nils and Annie Guldborg husband and

wife artistic duo This book is the perfect choice for story time at home a Bible lesson in the class room or a way to add music and visual fun in Sunday school

Lion's Honey David Grossman,2011-01-21 A consideration of one of the Bible s most powerful stories from a leading Israeli writer In this fascinating reexamination of the story of Samson David Grossman goes beyond the surface of the familiar tale to look into what the life of this extraordinary man must have been like What it felt like to have been chosen to release his people from the yoke of the Philistines and yet alienated from them by his very otherness what moved him to his acts of wild vandalism and his self destructive passions why he chose to keep some things secret but not the most significant secret of all We are left with the troubling knowledge that Samson bore too heavy a burden even for a man of his supernatural strength to bear alone There are few other Bible stories with so much drama and action narrative fireworks and raw emotion as we find in the tale of Samson the battle with the lion the three hundred burning foxes the women he bedded and the one woman that he loved his betrayal by all the women in his life from his mother to Delilah and in the end his murderous suicide when he brought the house down on himself and three thousand Philistines Yet beyond the wild impulsiveness the chaos the din we can make out a life story that is at bottom the tortured journey of a single lonely and turbulent soul who never found anywhere a true home in the world whose very body was a harsh place of exile For me this discovery this recognition is the point at which the myth for all its grand images its larger than life adventures slips silently into the day to day existence of each of us into our most private moments our buried secrets from David Grossman s introduction to *Lion s Honey*

The Samson Story Shaul Bar,2018-06-15 Love seduction betrayal violence riddles and myth all find their place in the biblical story of Samson Samson is the last of the judges with 20 percent of the book devoted to him more than any other judge From the beginning Samson is unlike any other judge which the author suggests when narrating Samson s birth Samson is destined even before his birth to deliver Israel He doesn t lead his people into battle he acts alone his battles are personal vendettas Samson fights with a lion defeats the Philistines with the jawbone of an ass captures foxes sets Philistine fields on fire and carries the Gates of Gaza on his shoulders So what stands behind these stories Was Samson a mythological hero like Hercules and Gilgamesh Like other men in the Hebrew Bible Samson can t resist foreign women Time after time he follows Philistine women who eventually betray him Samson is defeated not by physical strength but by the powers of seduction making this story a tragedy Who were these women and how did they defeat Samson Readers of this volume will rediscover Samson and better understand his achievements and failures This study will afford a provocative and useful insight into the character of Samson

Samson (Biblical judge),1910* **The History of Samson** Samson (Biblical judge),1797* **Samson, Strong and Faithful** Michelle Medlock Adams,2015-01-06 God had set Samson apart before he was born Throughout his life Samson was well known for his amazing physical strength But Samson had weaknesses that lead to his downfall Children learn from this book that real strength cannot be measured by our physical abilities but by God s purpose for us **Samson and the Liminal Hero in the Ancient Near East** Gregory Mobley,2006-08-21 The primary problem that Mobley s book deals with is the odd character of Judges 13 16 and of its hero Samson s special quality noted by virtually all interpreters is defined here as liminality The liminal situation which includes a movement away from society the lack of social restraints and the status of outsider is a permanent condition for Samson The secondary purpose of this book is to demonstrate the ways in which the Samson saga which is often compared to the Greek Heracles tradition makes use of ideas about wild men and warriors found in other biblical and Mesopotamian stories
