many multiethnic and multilingual countries the choice of a language for the medium of instruction in state educational systems raises a fundamental and complex educational question what combination of instruction in students native language s and in a second language of wider communication will ensure that students gain both effective subject content education as well as the second language skills necessary for higher education and employment Beyond this educational issue of choice of language s of instruction medium of instruction policies are also linked to a range of important sociopolitical issues including globalization migration labor policy elite competition and the distribution of economic resources and political power The contributors to this volume examine the tension between the educational agendas and other social and political agendas underlying medium of instruction policies in different countries around the world and unravel the connections between these policies and the related critically important educational social political and economic issues Medium of Instruction Policies Which Agenda Whose Agenda is intended for scholars and specialists in education language policy sociolinguistics applied linguistics and language teaching and is intended for use in graduate and advanced undergraduate courses on language education and language policy

Blood from Your Children Benedict Carton,2000 The young black activists whose rejection of their parents complacency led to the 1976 Soweto uprising and the eventual demise of apartheid are part of a long tradition of generational conflict in South Africa In *Blood from Your Children* Benedict Carton traces this intense challenge to an extraordinary and pivotal episode a century ago that bitterly divided families along generational lines Facing a series of ecological disasters that crippled agriculture in the 1890s African youths in colonial Natal and Zululand perceived their fathers struggle to meet increased colonial demands as an act of betrayal Young people engaged more frequently in premarital sex while young men sparked widespread gang fights and young women rejected traditional filial and marital obligations In 1906 after the imposition of an onerous head tax on young men this domestic turmoil exploded into an armed uprising known as Bambatha s Rebellion The young men sought revenge by attacking both the African patriarchs whose apparent accomodation they considered traitorous and the colonial troops dispatched to quell the violence After the Natal forces crushed the insurrection some captured rebels faced trial for treason under martial law Often their fathers testified against them While the military intervention eventually caused many more African youths to seek work in the mines thus defusing generational turmoil others moved to industrial centers in the wake of the uprising These young people formed the vanguard of insurgent political groups that continue to play an important role in South African urban life Through his lively and thorough presentation of the forces at work in Bambatha s Rebellion Benedict Carton brings a fresh understanding to the tragic role of defiant youth and generational rivalry in African resistance
