Economakis, Theofanis Papageorgiou, 2023-06-30 This book systematically addresses Bourdieu's key ideas and concepts in the context of Marxist thought In this book Bourdieu's central theoretical points are analyzed within a political sociological and politico economic framework which allows for the development of a sequential narrative of his key ideas Thus the authors are able to highlight the theoretical consistencies and political conclusions which can be derived from Bourdieu's work For example Bourdieu's anti neoliberal narrative is correlated with his analysis of class and especially with his canonization of the petty bourgeoisie and its strategy for a reformed anti neoliberal capitalism The book also analyzes this coherent synthesis of Bourdieu's work in the context of Marxist political economy including not only Marx but also Lenin Althusser and Poulantzas In this context the book explores Bourdieu's work on the state class strategy socialism and capitalism This unique perspective will be of great interest to social scientists particularly in economics politics and sociology working on Bourdieu Marx and capitalism *Race to the Bottom* Michael V. McGill, 2014-04-15 How did the country that invented the modern

public school end up embracing policies that weaken it What alternatives are there to current corporate reform policies How can we give America's children an education that will truly prepare them and our nation for the challenges of tomorrow In *Race to the Bottom* McGill successfully traces the emergence of corporate reform and describes how its tenets run counter to what he believes are the key elements of a high quality education McGill draws from a wealth of experience as a school superintendent for over 40 years including his tenure in Scarsdale during the 2001 district wide boycott of New York State standardized tests Showing how strong leaders working with teachers and the community have been able to strengthen schools the author offers a model of school reform that will prepare students for the 21st century An acute analysis of the failure of corporate school reform a sobering tale of its damages and an urgent call for changing course all from a veteran education leader of the nation's best schools Yong Zhao internationally known scholar author and speaker Into an often toxic unreasoning and polarized education debate Michael McGill introduces a much needed voice of reason experience and hope McGill is a rare combination of experienced day to day practitioner of public school teaching and administration and cogent historical analyst of the American education system If you're looking for an overview that combines passion for education with an unerring feeling of veracity this is the place to find it Nicholas Lemann Pulitzer Moore Professor and Dean Emeritus at the Columbia University Graduate School of Journalism A Purposive Approach to Labour Law Guy Davidov, 2016-05-05

The mismatch between goals and means is a major cause of crisis in labour law The regulations that we use the legal

instruments and techniques are no longer in sync with the goals they are supposed to advance This mismatch leads to a problem of coverage where many workers who need the protection of labour law are not covered by it as well as a problem of obsolescence as labour laws are not sufficiently updated in light of dramatic changes in the labour market Adopting a purposive approach to interpretation and legislative reform this volume addresses this crisis of mismatch It first articulates the goals of labour law both general and specific through an in depth normative discussion and a consideration of critiques The book then proceeds to reconsider our means asking what we need to change or improve in the laws themselves in order to better advance the goals Some of the proposed solutions are at the level of judicial interpretation others at the legislative level The book offers several examples of the way a purposive analysis should be performed in concrete cases It also recommends institutional structures that are suited to ongoing adaptation of the law to ensure that our goals are advanced even when circumstances frequently change Finally in response to the crisis of enforcement in this field which frustrates the achievement of labour law s goals several proposals to improve compliance and enforcement are considered
