

I reported G-codes on my e-prescriptions last year, will that be enough to meet PQRS requirements in 2014?

- A. The CMS eRx Incentive Program also uses G-codes, which are submitted via e-prescriptions. The G8553 code submitted for the eRx incentive program cannot be used to meet PQRS requirements.

PQRS has unique G-codes for each measure, so you must use the applicable codes and submit them on Medicare claims.

Note that the eRx Incentive Program ended in 2013, so there is no need to report G-codes for e-prescribing in 2014.

Pqrs Podiatry Codes 2013
