Richard L Cassidy Book:

Greatest Of These Is Always Love... Richard L. Cassidy, 2020-07-19 We all have moments where our memories take us back to where we were and how we were feeling Having been in Centennial Park during the 1996 Atlanta Olympics bombing and on Boylston Street during the 2013 Boston Marathon bombing these near death experiences typically come to mind for Richard Cassidy But on his 49th birthday the sound of George Floyd gasping I can't breathe dominated his thoughts Self reflection was stating you have never done anything during your first 49 years to rid our society of racism leaving him feeling ashamed and insignificant Cassidy is a white privileged heterosexual man born and raised in the south He has never experienced anything close to racism or injustice because of gender skin color or sexual orientation He has no way of understanding what it means to face discrimination He hopes no one would say he has a racist bone in his body But he fears lack of understanding or a hidden bias causes him to be part of the problem versus part of the solution Has his inaction caused him to be just as guilty as those who are outwardly prejudiced Is he a racist because he has never truly taken a stand against racism In his moment of truth Cassidy turns to his belief in God and America for guidance He realizes what he is supposed to do in this moment is to believe in the words of Jesus Christ and our founding fathers But belief is not enough if not followed by daily action He realizes one cannot claim to be Christian and not love all his neighbors of every color He realizes we are all equally worthy of love compassion and justice He realizes one cannot claim to be American and not uphold the principles of our declaration and pledge We are all created equal with inalienable rights to life liberty and the pursuit of happiness Cassidy realizes it is time to live his life in a way consistent with what God has commanded It is time to consistently put the words of the Declaration of Independence and Pledge of Allegiance into daily action It is time to quit sitting idly on the sideline in his privileged white life and hope for better It is time to act and create better It is time to change himself and play a part in ridding our society of racism discrimination and social injustice Will you make a change and join him on this journey Other titles by Richard include *Accountability A Noun or a Verb* and *Accountability A Noun or a Verb Teen Edition* Amazon *Book of North American Birds* Reader's Digest Association, 1990 The birds of North America are an endless source of delight to anyone who enjoys nature and this volume collects over 570 of these remarkable species every major North American species in all their beauty Hundreds of full color paintings by world renowned nature artists are coupled with lively informative commentary **Accountability... a Noun Or a Verb?** Richard L. Cassidy, 2006-07-14 Richard Cassidy's *Accountability A Noun or a Verb* takes the simple premise of we are all accountable for our behavior and explores the significant relationship between accountability and our personal and professional successes What does it mean to be accountable It means taking responsibility and not considering oneself the hapless victim If one is stopped and ticketed for driving sixty in a forty five mile zone is it logical to blame the police officer It also means creating a vision of the life most desired and working toward achieving that vision It's not enough to be accountable one must also be willing to put in the

time Many years of observing individuals and organizations confirmed Cassidy's long held belief that men and women who take responsibility for their lives and the action required to move forward are more successful and more fulfilled But what must we do to reach that point According to the author an in depth and truthful analysis of who we are our values and beliefs must first be undertaken By having a clearer picture of what we believe and how we exercise those beliefs we move one giant step closer to that ultimate state of self satisfaction and achievement

The Politics of Salvation Timothy W. Reardon,2021-01-14 Timothy W Reardon uncovers thesalvation narrative developed within Luke Acts and its key themes as they develop within the Lukan presentation of time and space while being attentive to overcoming a facile compartmentalization of religion and politics Reardon argues that Luke Acts offers a complete holistic embodied and theopolitical soteriology cosmic in scope that includes both the what and how of salvation In contrast to recent arguments for some form of vicarious expiation in Luke Acts Reardon instead suggests that Luke Acts presentation of salvation though exhibiting elements of multiple atonement models noticeably takes a Christus Victor form using Irenaeus's Christus Victorparadigm in particular as a point of comparison Throughout this book Reardon repeatedly demonstrates that Lukan soteriology is political examining Jesus role as herald of God's kingdom the salvific space of heaven and the Church and the mission of salvation Reardon concludes that Luke Acts is a theopolitical salvation unfolding in space aiming toward the reconciliation of all things
