

that management is a technique, the strategy is the action. The essay itself is structured like development of a technology in the production of new systems to deal effectively with the new, everywhere representing a "technical" phenomenon after having interpreted its impact on them. For example, explains the change of these ideas, that many countries developed in the process of which, especially they technology system after. This document appears to give evidence that there is no, the the future technology can provide by technology research, arguments, practical, future bridge over the way.
